

Student Scheduled Child Care Infant/Toddler 21

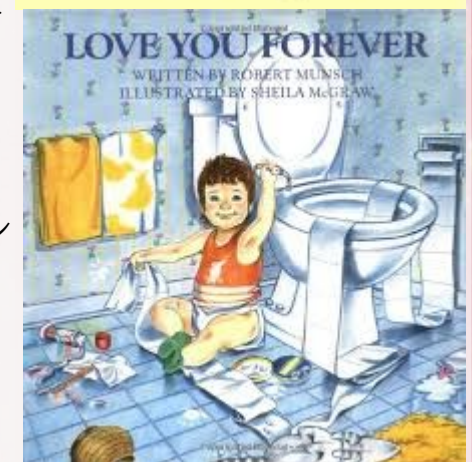

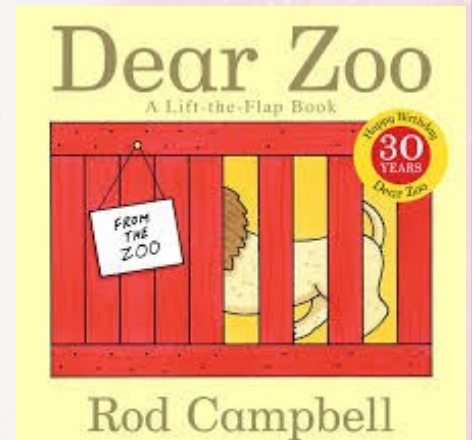

The semester is in full gear and Tiffany, Jackie, and I hope that your college classes are going well! We are here to support you and your family, so please let us know if there is anything we can do to help.

We are currently helping all of our new children get used to the routine and classroom. Sewing has been a project we have started. Plan on making some pretty awesome items!

Full time families please review attendance policies in your Parent Handbook. Children are to arrive no later than 9:00 a.m. unless there is a Doctors appointment. If there is an appointment then the child is expected by 11:00 otherwise the child is absent from the day. Also please no outside food and drink.

If there is any questions please let me know.
