

# April 2018 Newsletter Infant / Toddler 21

*The end of the semester is nearing. We hope that each of our student-scheduled families are embracing this time. You are a wonderful model for your children!*

*Since the class has taken interest in our snake skin, we will begin a project on snakes! Be ready for a fieldtrip to the zoo and visit our scaly friends!*

*We are currently being busy artists for the upcoming Children's Art Show. Please take some time and look at all the amazing art the children have worked so hard to make.*

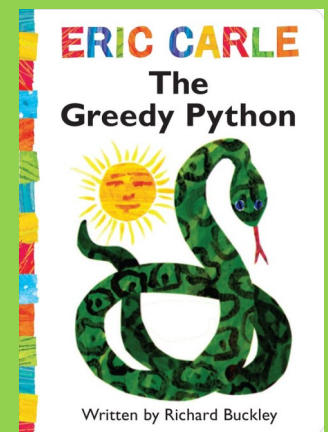

## Dates to Remember:

April 16: NAEYC's week of the young child.

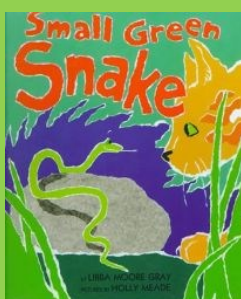

April 16: Children's Art Show Opens.

April 20: Teddy Bear Clinic and Dental Screening

April 21: Families of Promise at Almonte Library

It's spring! We are so excited we wet our plants!

Read to your child everyday!
