2017*

**Welcome to a new fall semester!**

**We are welcoming our new students to the class. We will be building relationships and getting to know each and our classroom. We will be exploring our senses and surroundings through play and experiments. Please look forward to studying new things and projects over the next few months!**

**We love sharing these experiences with you and all our friends! There are so many awesome opportunities to teach children how to care and grow through giving, recognizing, and displaying children's work, etc. Please refer to your handbook for the school year calendar with lots of school events. Don't forget to check your paper cubby daily for important news and information. If you would like to volunteer during any activities, please see Christian or Debbie. We would love for you to join us!**

**Important Dates to Remember:**

September 4th: Labor Day CDCLS CLOSED  
September 8th: Grandparent's Day Celebration  
3:30-4:30pm
