

Infant/Toddler Room 23

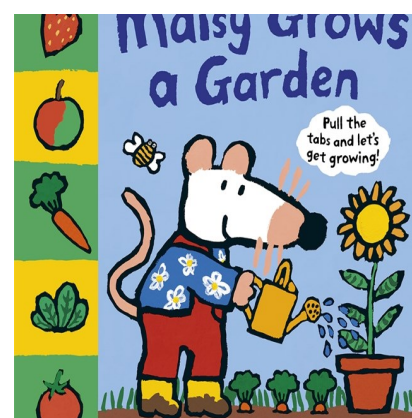

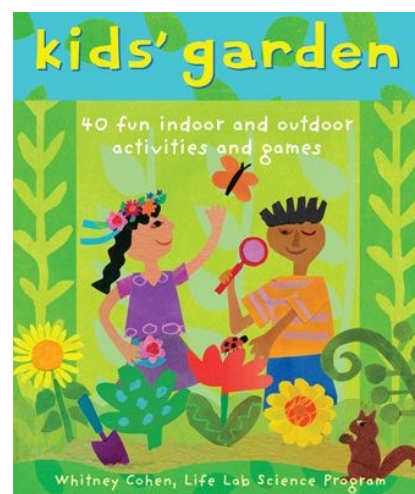

Parents,

Our “Tools” project has come to an end, and we would like for you to join us Saturday, April 7th, at Home Depot for a Kids Workshop. Please sign up on our podium. Please welcome Sarah to our classroom to finish her fieldwork practicum for her Associates in Child Development. There are so many awesome opportunities to teach children how to care and grow through giving, recognizing, and displaying children’s work, etc. If you would like to volunteer during any activities please see Christian or Molly. We would love for you to join us!

Don't forget to read to your child **everyday!**

Happy Birthday
Steven-11th

Important Dates to Remember:

April 16th: Children’s Art Show Opening Day

April 16-20th: NAEYC Week of the Young Child

April 20th: Teddy Bear Clinic and Dental Screenings

April 21st: Families of Promise 9-12pm
