## What's Happening

We are enjoying our exploration of houses and will continue the fun this month.

Last month we:

- Read many books about houses and home
- Built houses using many different materials
- Talked about who lives in our home, and how we all have different homes

We will lead into “Helpers” for our next project. With our new little friend, it is important to let all my friends help and feel important in our class.

## **Mark Your Calendar!**

**10th** “Nurturing Touch” parent Training

**16th** Friendship card Exchange 2:30

**22nd** Parent Round Table Discussion 5:30-6:30

## *Take a Trip to the Library*
