- \* April 20 Teddy Bear Clinic & Dental Screening
- \* April 21 Families of Promise Tuition Incentive (9-12 Alamont Library)

### What's Happening

The children are really great helpers! They are learning about the different helpers in our community. We have talked about doctors, nurses, farmers, and animal helpers. They love taking turns to help in and out of our room . Please continue to give them tasks around the house to help. Ask them "Are you my helper today?"

April is "Child Abuse Prevention" month, so please look for events that will be taking place.

Take a Trip  
to the Library
