Smile!

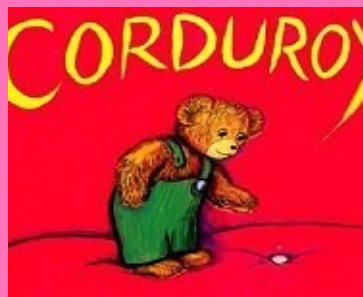

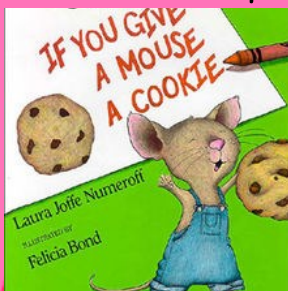

February is Children's Dental
Health Month!

What's Happening

Children that play outside, eat better, sleep better, and are sick less. We will be going outside everyday this winter unless it feels below 35 degrees, so be sure your child has a coat, hat, gloves, and is dressed for the weather! The children have enjoyed our "Book" project and are now showing an interest in cooking! We will begin exploring cooking by preparing some delicious snacks each week!

Take a trip

to the Library!

Cubby Check

Please ensure that your child has several weather appropriate changes of clothes in their cubby.
Thank you!
