Sept. 4th- Labor Day  
(CDCLS Closed)

Sept. 8th - Grandparent  
Day social

\* Please see Kendra to set  
up a parent/ teacher  
conference

## *Take a Trip*

*to the Library*

## What's Happening

We have began the 2017-2018 school year with an exciting project on "seed"! We will be planting pumpkin seeds in our raised garden right on our playground. The children will observe, water and weed the garden. We will also be caring for the raised garden on the other side of the fence. The garden expert came to visit and has some great ideas for the oversized okra that we can't wait to learn about. If you would like to donate some fruit or vegetables that have seeds that we could explore, please contact Kendra. We are so excited for this school year and all our new friends and families that we are welcoming into our classroom.

*We are ready for fall!  
Please make sure your  
child has a jacket and at  
least one change of clothes.*
