

Preschool 30

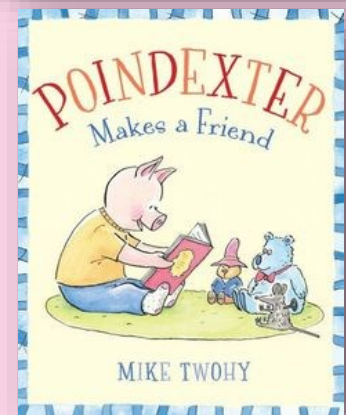

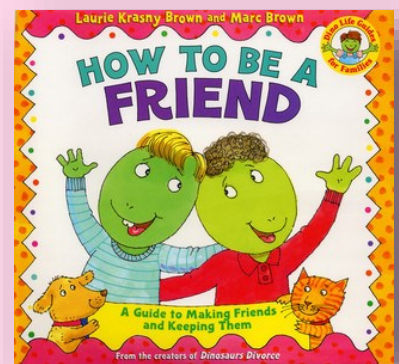

We will be completing our "Babies" project this month. We have had lots of fun learning about babies. We enjoyed taking care of babies, talking to them, and playing with them.

In recognition of *Friendship Month*, our next project will be *Friendship*. We will begin by asking the children what they like about their friends and how we can be a good friend. We will also be making a special gift for our friends at the Daily Living Center. If you would like to contribute or help in our class in anyway, we would love it. Just talk to Julie or Debbie about helping with a cooking activity, leading an art activity, or reading a book.
