

FEBRUARY 2018

Hello Families!

This month we will continue our project on "Heroes." The children have learned all about real life heroes and have shared their heroes with the class. We have been discussing with the children "What are the qualities that make a person a hero?" and "What makes someone a hero to you?" If you haven't already, please remember to bring a picture of your child's hero for our "Hero Wall." Also, if you know of any real life heroes such as doctors, nurses, police officers, etc., we would love to have them visit our class and share with the children what they do!

This project is a wonderful opportunity for the children to really experience real life around them, and develop consciousness of how people positively influence the environment.

Important Dates to Remember

February: Transitioning to Kindergarten (date TBA)

Happy Birthday!

Greyson: February 12th

Read to Your Child Every Day!
