Preschool 31 Newsletter!

What's Happening...

The week of November 6th, we will have Mrs. Ha Vu , a fieldwork student from Oklahoma City Community College in our classroom. She will be leading and teaching the children in our room.

We will be finishing our "Transportation Project" by the middle of the month , and be starting a new project after.

*With cooler weather approaching, please remember to bring extra clothes, jackets, hats, gloves, etc. for your child.

**Happy
Birthday!**
