HISTORY OF THE COLLEGE

Oklahoma City Community College traces its beginning to March 20, 1969. At that time, a committee of the South Oklahoma City Chamber of Commerce was organized to circulate petitions asking the Oklahoma State Regents for Higher Education to take action to establish a junior college in the area. As a direct result of the interest and initiative of these citizens, a junior college district was formed, and a board of trustees was appointed a year later. Extensive planning and ground-breaking for the College took place in 1971. Construction began in January 1972 and South Oklahoma City Junior College opened for classes on September 25, 1972, with an enrollment of 1,049 students. On October 8, 1972, the College was formally dedicated.

In the spring of 1974, the College became part of the state system for higher education and a new Board of Regents was appointed as the governing unit for the school. In 1983 the name of the College was changed to Oklahoma City Community College, reflecting its purpose as a college for the entire Oklahoma City metro area community. The College has grown to serve more than 22,000 people each year. It offers a full range of associate degree programs that prepare students to transfer to baccalaureate institutions. Other degree and certificate programs are designed to prepare students for immediate employment in a variety of fields. Additionally, Oklahoma City Community College offers a wide range of community and continuing education courses, workshops, conferences, and seminars.

ADMINISTRATIVE WITHDRAWAL (AW)

Title: Administrative Procedure No. 5040

An Administrative Withdrawal may be assigned to a student based on disciplinary reasons and/or for non-attendance. These withdrawals may be initiated any time. Administrative withdrawals will not be associated with any refund of fees except for students who are recipients of TITLE IV financial aid. Any refunds due will be returned to the appropriate federal financial assistance program. The letter grade “AW” will be shown on the official transcript for any college-initiated withdrawal of a student after the drop and add period. An AW grade is not used in the computation of a grade point average.

CENTER FOR LEARNING AND TEACHING

www.occc.edu/c4lt/ • (405) 682-7838

The Center for Learning and Teaching (CLT) is a resource center for all faculty and students at OCCC. Students are provided walk-in support for Moodle as well as assistance with setting up OCCC email on a smartphone. Students may take advantage of online student resources created to assist them as they navigate their course at OCCC at www.occc.edu/onlinerescources. Students needing information about online classes may contact the CLT at 405-682-7838 or stop by SEM 2G3 on the second floor of the SEM Center (across from the Math Lab).

GRADES

Students at Oklahoma City Community College successfully complete courses when they demonstrate that they have accomplished objectives at the levels required for the courses.Student performance is measured against standards set by program faculty. The grades which the students earn reflect the quality of their performances when measured against these standards. Oklahoma City Community College conforms to the definitions of grading terms and the academic forgiveness provisions set forth by the Oklahoma State Regents for Higher Education.

DEFINITIONS AND PROVISIONS

At the conclusion of a course, one of the following grades will be listed on the student’s transcript along with the course title.

A—(4.0 Grade Point) Excellent.
B—(3.0 Grade Point) Good.
C—(2.0 Grade Point) Average.
D—(1.0 Grade Point) Below Average.
F—(0.0 Grade Point) Failure.

NOTE: To satisfy degree requirements, students majoring in certain programs must earn a C or better or B or better in specified courses.

S—(Satisfactory) In a limited number of courses, the grades S and U are used. An S is a neutral mark indicating minimal competencies have been met. An S is also used to indicate credit earned through advanced standing examination. The grade of S is not used in computing grade point averages.

U—(Unsatisfactory) The grade of U indicates that a student did not meet minimum requirements in a course designated for S/U grading. The grade of U is not used in computing grade point averages.

I—(Incomplete) When, in the instructor’s judgment, justifiable circumstances exist, the instructor may issue an “I” grade. The instructor prepares a contract specifying the work, which must be completed, and the date by which it must be completed. The normal “I” contract period extends through the late registration period for the next major enrollment period, but may be as long as a period of one year. When the student completes the specified work, the instructor will replace the “I” grade with the appropriate grade: A, B, C, D, F, S, or U. If the instructor has not replaced the “I” grade within one year, the “I” grade will remain permanently on the student’s transcript. The “I” grade is not used in computing grade point averages.

W—(Official Withdrawal) The student has officially withdrawn from the course. The student may withdraw as late as the twelfth week of a sixteen-week semester (or 3/4 of the duration of a shorter course) and automatically receive the grade of W. The W grade is not used in computing grade point averages.

AW—(Administrative Withdrawal) The student has been “involuntarily” withdrawn by the institution during the designated semester for disciplinary, financial, or other administrative reasons. An AW grade is not used in computing grade point averages.

AU—(Audit) The student audited the course. The student receives no credit for the course and the grade of AU is not used in computing grade point averages. Note: A student may request a change in enrollment status from audit to credit through the late enrollment period. A student may change enrollment status from credit to audit through the official withdrawal period.

NOTIFICATION OF STUDENT RIGHTS UNDER FERPA
www.occc.edu/records/FERPA.html • (405) 682-7512

The Family Education rights and Privacy Act of 1974 (FERPA) is a federal law that permits students certain rights with respect to their education records, including the following:

1. The right to inspect and review education records within 45 days of the day the College receives a request for access. Students should submit to the registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) they wish to inspect. The College Official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the College Official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of education records that the student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA. Students may ask the College to amend a record that they believe is inaccurate or misleading. A student who wishes to ask the College to amend a record should write the College Official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed. If the college decides not to amend the record as requested, the College will notify the student in writing of the reason the amendment was not made. If the student wants to record changed, the College will notify the student in writing of the reason the amendment was not made. The student may request a written explanation regarding the records. The amendment will include the explanation.

3. The right to provide written consent before the College discloses personally identifiable information from the student’s education records. Students may authorize disclosure of educational records to a designated person, such as a spouse or family member, by submitting an Authorization to Release form to the office of the Records and Registrar.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA. Complaints must be submitted by written letter within 180 days of the date in which an alleged violation of educational privacy rights occurred, or within 180 days in which the complainant knew or reasonably knew of the violation. Complaints should be sent to the Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, D.C. 20202-5920

Definition of Educational Record
An “educational record” is defined as a record related to a student and that is maintained by an educational institution or a party acting for or on behalf of the institution. Educational records include but are not limited to grades, transcripts, class lists, scholarship application information, student course schedules, student financial information, and student discipline files. Educational records do not include sole possession documents (such as personal notes created by individual faculty/staff as a memory aid); law enforcement records; employment records that exclusively relate to an individual’s employment capacity and not their student status; medical records; and records including 18 information created after an individual is no longer a student at that institution (such as alumni records).

Disclosure of Educational Records Without Prior Consent
Subject to specific requirements of FERPA, OCCC may disclose student educational records without prior consent to 1) “School Officials” with “legitimate educational interest” (See OCCC College Catalog, Release of Academic Information for definition), to transfer schools in which a student seeks or intends to enroll, to specified officials for audit or evaluation purposes, to appropriate parties in connection with financial aid to a student, to organizations conducting certain studies for or on behalf of the school, to accrediting organizations to carry out their accrediting functions, to comply with a judicial order or lawfully issued subpoena, to appropriate officials in cases of health and safety emergencies, and to other individuals and entities when specifically permitted by FERPA.

Directory Information
Oklahoma City Community College may provide “directory information” in accordance with the provisions of FERPA. Directory information is defined as that information which would not generally be considered harmful or an invasion of privacy if disclosed. Designated directory information at Oklahoma City Community College includes the following: name, address (defined as City and State or Country of Residence), phone number, college email address, photograph, major field of study and degree program, dates of attendance (defined as first and last date of term), grade level, enrollment status (full-time or part-time), participation in officially recognized activities or sports, degrees, honors and awards received, educational institution most recently attended before admission to OCCC.

Requests to Block Release of Directory Information
Students may block the public disclosure of directory information by notifying the Office of Records and Registrar in writing at any time. A non-disclosure block will require Oklahoma City Community College to refrain from releasing any or all directory information both while the student is active at OCCC and once the student has left the college until lifted. While a non-disclosure block is in effect, OCCC will consequently refuse requests for directory information. Oklahoma City Community College accepts no responsibility to contact students regarding directory information requests and assumes no liability as a result of honoring a student’s instructions that directory information be withheld. The non-disclosure block will only be lifted when the student has submitted a written request to remove it from his or her record.

**E-MAIL FOR STUDENTS**

[email.occc.edu](mailto:email.occc.edu) • (405) 682-7509

Due to the increasing reliance and acceptance of electronic communication, e-mail is considered an official means for communication within the OCCC community. Information and Instructional Technology Services will assign each student an official OCCC e-mail address. It is to this official address that OCCC will send e-mail communications. This official assigned address will be the address recorded in the Student Information System. OCCC shall consider the official assigned OCCC student e-mail address as directory information. Because e-mail is an official means for communication within OCCC, OCCC has the right to send communications to students via e-mail and the right to expect that students shall open and read e-mails in a timely fashion. A student may have official OCCC e-mail electronically redirected to another e-mail address at his or her own risk. If a student wishes to have e-mail redirected from his or her official address to another e-mail address (e.g., @aol.com, @hotmail.com, or other e-mail server), they may do so. However, OCCC will not be responsible for the handling of e-mail by outside vendors and compliance with educational privacy law no longer pertains. Redirecting e-mail does not release a student from the responsibilities associated with communication sent to his or her official e-mail address. Students are expected to check their official e-mail address on a frequent and consistent basis in order to stay current with OCCC communications. OCCC recommends checking e-mail once a week at a minimum in recognition that certain communications may be time-critical.

[www.occc.edu/financialaid/FCWS.html](http://www.occc.edu/financialaid/FCWS.html) • (405) 682-7525

Students establish eligibility for this federal program through the Financial Aid Office. A student must file for federal student aid each year using the Free Application for Federal Student Aid (FAFSA). Those students who file, are awarded and accept Federal Work- Study are issued an authorization form. Services on campus then routed to the Human Resources Office at the college’s John Massey Center. Before a student will be considered for employment they must complete an application for employment online and meet with a Human Resources representative. Students who have an authorization form may contact Human Resources at (405) 682-7542 to arrange an appointment. The Human Resources Office will make referrals to various college offices and departments which have job openings. Each office or department supervisor makes the decision to hire or not to hire the student. If hired, the hiring unit completes necessary paperwork to place the student on payroll. Time-sheets are submitted to the College payroll unit online on a predetermined schedule. Payroll checks are issued on the last working day of the month. The Federal Work-Study Program also has a limited number of opportunities for students to work in positions, which allow them to provide community service while earning wages. Interested students should contact the Financial Aid Office or visit Financial Aid on the first floor of the Main Building.

Fee due dates are listed in the College Class Schedule and the College Catalog. Students who pay their account in full on their date of enrollment or by the initial fee due date for the semester/term will pay tuition and fees only. Students who choose to make monthly payments will be automatically billed on a monthly basis for all tuition and fees due and assessed a finance charge on their monthly account balance.

**STUDENTS WILL NOT BE CANCELED FROM CURRENT CLASSES DUE TO NON-PAYMENT OF FEES BY THE FEE DUE DATE.**

Students must withdraw from any class in which they do not wish to be enrolled, prior to the initial due date in order to avoid finance charges. Students will not be charged and/or will receive a refund only for classes from which they withdraw from prior to or during the official drop with refund period for that semester or term.

Students who NEVER ATTEND courses, for which they are enrolled, will be responsible for the full amount of tuition and fees owed plus any accumulated finance and late fees.

**FEE PAYMENT OPTIONS**
Students may choose to pay their tuition and fees prior to the beginning of the semester or by making monthly payments.

**OPTION 1: PAY FEES BY DUE DATE**
Students may pay their tuition and fees prior to the beginning of the semester (see published fee due date), or on their date of enrollment, and incur no additional charges. Students enrolling after the beginning of the semester may pay their tuition and fees on their date of enrollment or prior to the next monthly payment due date and incur no additional finance charges.

**OPTION 2: MAKE MONTHLY PAYMENTS**
Students may choose to pay their fees on a monthly basis. Monthly payments will incur a monthly 2% finance charge on the outstanding balance. A late payment charge of $20 will be applied to any minimum payment plan payment not received by the payment due date. * Students choosing to pay tuition and fees on a monthly basis are required to comply with the payment schedule in order to enroll, or remain enrolled in any future semesters.

Payment in full is required by the last monthly payment plan due date for the semester.

Students who apply for Financial Aid but are not awarded by the published fee due date and have not paid their tuition and fees will automatically be billed on a monthly basis. If financial aid is subsequently awarded and applied to the student’s account, any remaining balance due for tuition and fees will be paid before any refund to the student. Finance and late charges will be reduced appropriately.

In compliance with the College’s fee payment policy, students WILL be canceled from any future enrollments if they have not paid in full by the final payment due date for the semester.

A Bursar hold will be placed upon records, which will prevent enrollment activity.

SECTION III - FINANCIAL AID AND VETERANS SERVICES

MISSION
The mission of Student Financial Aid and Veterans Services is to provide financial assistance for Oklahoma City Community College students enabling access to educational opportunity and in support of persistence toward successful completion of their educational goals.

BASIC ELIGIBILITY
Eligibility for Federal Title IV Student Financial Aid is determined by completing the Free Application for Federal Student Aid (FAFSA). Eligibility criteria include being a U.S. citizen or eligible non-citizen, i.e., a permanent resident, high school diploma, or GED, acceptance for admission to college to pursue an eligible program of study (major), enrollment, and academic progress. Eligible programs at Oklahoma City Community College include associate degree and one-year certificate programs (30 credit hours). Certificate programs of at least 16 credit hours may be eligible if all courses in the program apply to the same associate degree program at OCCC. Students must be making satisfactory academic progress as defined by the Financial Aid Office and based on federal regulations. Academic history at OCCC and other post high school academic and technical programs will be evaluated in determining satisfactory academic progress. Students must submit all academic transcripts from prior schools attended to the Admissions and Recruitment Office.

COST OF ATTENDANCE
Costs of attendance is used in calculating financial aid awards and is reviewed annually. Tuition costs are subject to legislative and College adjustments that may occur subsequent to publication of this catalog. Costs for the current academic year are listed below and are based on full-time tuition (12 credit hours fall / 12 credit hours spring) and part-time (6 credit hours fall / 6 credit hours spring). Cost of attendance for enrollment in only mid-semester or fast track classes will be adjusted. Non-residents of Oklahoma will be charged additional non-resident tuition as well as resident tuition fees. Tuition/Fees cost calculated as of July 26, 2016.

DIRECT COSTS
Direct Costs include: Tuition, Fees, Books and Supplies. Tuition and Fees are billed by the College. Books and Supplies can be purchased in the College Book Store, or at other book retailers.

INDIRECT COSTS
Indirect costs include: Room/Board, Transportation and Personal Miscellaneous. These costs are not billed by the College. Students can reduce these cost by living with family and budgeting their spending.

* Full Time: Tuition/fees and other costs are based on 12 hours each semester.
** Part Time: Tuition/fees and other costs are based on 6 hours each semester. Tuition and fees are subject to change each year and will be updated once finalized.

Dependent Care: Documented care not provided free by an agency or family member may be added to the student’s budget.
Disability Services: Any student who requires special services due to a disability may have the documented costs added if these services are not provided by the college or an agency.
FINANCIAL ASSISTANCE PROGRAMS

Oklahoma City Community College participates in the following financial aid programs:

FEDERAL PELL GRANT

Eligibility is based on financial need, cost of attendance, enrollment status, and the student’s Expected Family Contribution (EFC). Yearly award amounts range from $588 to $5,775. Students must apply each academic year at www.FAFSA.org. Students who have earned a bachelor’s degree are not eligible for a Federal Pell Grant at Oklahoma City Community College. Students must be pursuing a certificate or degree program eligible for federal financial assistance, maintain satisfactory academic progress, not owe a federal grant repayment, or be in default on any student loan. All Pell Grant recipients are now limited to 12 full-time equivalent semesters of Pell Grant funds. Payment amount for each semester is based on the enrolled credit hours a student has at the close of the semester’s schedule adjustment period or at the time the College receives the SAR after the semester is underway. Students are paid once each semester (fall and spring). Students should contact a financial aid advisor to determine their summer Pell eligibility.

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT

The Federal SEOG is a federal grant program limited to students who have exceptional financial need. It must be awarded to Federal Pell Grant recipients who have the lowest Expected Family Contribution (EFC). The award amount is based on the availability of Federal SEOG funds. Maximum yearly award is $1,000; the usual offer to OCC students is $300 for the academic year. Due to limited funding, not all students with exceptional financial need receive SEOG. Funds are awarded on a first come/first serve basis. This program is also limited to students who have not yet earned a bachelor’s degree. Students are paid once each semester (fall, spring). Students must maintain satisfactory academic progress, not owe a federal grant repayment, or be in default on any student loan; and be pursuing a certificate or degree program to be eligible for federal financial assistance.

BUREAU OF INDIAN AFFAIRS (BIA) TRIBAL GRANTS

BIA eligibility and award amounts are determined by each tribe. To apply, students must complete the Free Application for Federal Student Aid (FAFSA) and the tribal application provided by their tribe.

OKLAHOMA’S PROMISE – OKLAHOMA HIGHER LEARNING ACCESS PROGRAM (OHLAP)

OHLAP is a scholarship funded by the State of Oklahoma. The Oklahoma Higher Learning Access Program pays for tuition costs for qualified students. Individuals may begin participation in this program in the eighth grade, but must do so by the start of the tenth grade. Participants must meet specific program criteria to maintain eligibility while in high school. When the individual begins attending college, the college will submit a scholarship claim to the OHLAP. Students must maintain their eligibility by meeting Regent’s grade point average requirements and Federal Title IV academic progress standards. Students who have earned 60 college credits must have a cumulative grade point average CGPA to remain eligible for OHLAP for future college coursework. Those who have a 2.00 CGPA at 60 college credits earned must then maintain a 2.50 CGPA each semester they receive OHLAP. Students, who receive additional types of student financial assistance covering tuition, can receive a cash disbursement once OHLAP funds are paid to the College by the State of Oklahoma. OHLAP funds from the state are usually disbursed to the student’s account once each semester. Any credit balance on the account after all charges are paid will be available to the student as a refund.

OKLAHOMA TUITION AID GRANT (OTAG)

Oklahoma Tuition Aid Grant (OTAG) is a grant offered by the Oklahoma State Regents for Higher Education (OSRHE) to residents of Oklahoma who attend Oklahoma’s public and private colleges and universities. The OTAG program is funded by the state of Oklahoma. Students must apply for federal student financial assistance to be considered. Students must file the Free Application for Federal Student Aid (FAFSA) available online at www.fafsa.gov. OCCC and the OTAG program, operated by the OSRHE, determine potential recipients based on applicant data received from the Federal Central Processing System. Part time awards are a maximum of $486 per semester for 6-11 hours of credit. Full time awards are a maximum of $500 a semester for 12 or more credit hours. The following steps occur in the determination of eligibility for OTAG awards: The OTAG program sets March 1 as a priority date for receipt of your data from the federal system. This date may change depending on available funds from the OTAG Program. Filing the FAFSA prior to March 1 each year is advisable. Financial Aid determines students who are potentially eligible to receive the award based on their FAFSA filing date, Pell Grant eligibility, Expected Family Contribution (EFC), state of residency, and the eligibility to receive federal funds. Full-time active duty members of the armed forces and their dependents are immediately eligible for in-state status and state financial aid and are therefore eligible to receive OTAG as long as they also meet all other eligibility requirements.

FEDERAL WORK STUDY (FWS) STUDENT EMPLOYMENT

Funded by the federal government, this program provides jobs for students who are eligible for need-based financial assistance. Yearly award amounts range from $2,400 to $4,800. The amount of the award offer depends on the student’s need, the availability of FWS funds, and the amount of assistance the student receives from other programs. Students generally work 10 to 25 hours per week during each semester in temporary hourly positions, and are paid bi-weekly. The College provides a limited number of opportunities for students to work community service jobs including reading and math tutoring. Interested students should contact Financial Aid about Federal Work Study and/or community service positions. FWS student employees must maintain satisfactory academic progress, not owe a federal grant repayment or be in default on a student loan and be pursuing a program (certificate or degree) in an eligible program.

NATIONAL GUARD TUITION WAIVER PROGRAM

The Oklahoma National Guard Tuition Waiver Program authorizes the waiver of tuition charges up to 18 credit hours each semester for students who are members of an Oklahoma National Guard Unit. Application is made through the National Guard members’ unit. The National Guard member must be attending a state-supported college or university and have not yet earned a baccalaureate degree. Benefits continue for six years from the date of the first application for the tuition waiver. The student must maintain a minimum 2.00 Cumulative GPA each semester. The Oklahoma National Guard submits a roster of eligible students to OCCC each semester.
LOANS

The following federal student loans are offered to eligible students. These are loans that must be RE-PAID and will impact your credit rating for good or bad, depending on repayment. Students are advised to only borrow what they need to complete their education. Students should meet with a Financial Aid Advisor to discuss any uncertainties and options.

FEDERAL DIRECT STAFFORD STUDENT LOAN (SUBSIDIZED)

This is a low-interest, need-based loan made to the student guaranteed by the U.S. Department of Education. Maximum loan amounts are $3,500 1st Academic year and $4,500 2nd Academic Year. The federal government pays the interest on the loan while the student is in school or during other deferment periods. The annual interest rate is 4.29%. The student must begin repayment of interest within 60 days of the final disbursement of funds for the loan period unless the Direct Loan Program agrees to allow interest to accrue. Principal and interest payments must begin within six months after you graduate or fall below half-time enrollment status. The same rules for Federal Title IV Aid, enrollment status, disbursement, release of funds, and loan cancellation which apply to the Subsidized Direct Stafford Loan also apply to the Unsubsidized Direct Stafford Loan.

FEDERAL DIRECT PARENT LOAN FOR UNDERGRADUATE STUDENTS (PLUS)

Federal Direct PLUS is for parent borrowers of dependent students. The Loan provides additional funds for educational expenses like Direct Stafford Loans. The annual interest rate for the Loan is 6.84%. Repayment of Federal Direct PLUS begins 60 days after receiving the last disbursement of the loan period or as agreed upon by the borrower and Direct Loan Program. A minimum enrollment of six credit hours is required of the student throughout each loan period. Information on parent borrowing is available online at Studentloans.gov. Parent eligibility for a Direct PLUS is based on the student's eligibility for Federal Title IV Aid and on the parent meeting certain eligibility criteria. The same rules for disbursement, release of funds, and cancellation which apply to Direct Stafford Loans apply to Direct PLUS. Amounts are based on cost of attendance minus all other resources expected for the student. Parents must not be in default on student loans or owe a repayment to federal grant programs. PLUS Loan counseling is required for borrowers who are determined to have adverse credit histories, but who qualify for a PLUS Loan due to extenuating circumstances or by obtaining an endorser. Note that endorsers themselves are not required to complete loan counseling.

VERIFICATION

Federal Student Aid randomly selects a number of FAFSA applicants for a process called Verification. Selected applicants are required by Federal Title IV regulations to submit documentation requested by the Financial Aid Office to confirm the accuracy of information reported on the FASFA. Students are notified through their OCCC email of the specific documents required for verification. Students must submit requested documents to complete verification in a timely manner to avoid delays in determining award eligibility. The Financial Aid Office does not make estimated awards or interim disbursements. All selected applicants must submit a 2016-2017 Verification Form (Independent or Dependent).

Selected applicants must provide income data for verification purposes. Income tax filers can use the IRS Data Retrieval to electronically transfer their tax data from the IRS database into their FAFSA. Visit the Financial Aid Webpage: http://www.occc.edu/financialaid/FactSheets.html and select IRS Data Retrieval for more information. Students and parents of dependent students who are unable to use
IRS Data Retrieval must submit a 2015 Tax Return Transcript. A Financial Aid Advisor will review the verification documents. Any conflicting information must be resolved. You will be notified of any additional required documentation. When the file review is complete students will be notified through their student email.

Students are required to update their dependency status if it changes during the 2016-2017 academic year unless it is due to a change in marital status. The Financial Aid Office does not update for a change due to the marital status after the FASFA is filed.

**TIMELINES/DEADLINES**

Students must have a Free Application for Federal Student Aid (FASFA) on file with the OCCC Financial Aid Office, which indicates an Expected Family Contribution (EFC) by their last date of enrollment for the 2016-2017 academic year or June 30, 2017, whichever comes first. Students must complete verification within 120 days of their last date of enrollment in order to receive payment for your attempted courses. Students who do not complete the verification process including corrections by the 120-day deadline or a date determined by the U.S. Department of Education each year (approximately September 23) whichever date is earlier, are not be eligible for Federal Pell Grant payments. The Financial Aid Office cannot award a student loan after students are no longer enrolled. For all other Federal Title IV Student Financial Aid Programs, the Financial Aid Office will not award funds or certify a Federal Direct Stafford Loan or Direct PLUS Loan after the 14th week of a standard semester, or 6th week of an 8 week summer semester, or the student’s last date of attendance, whichever is earlier for that semester. If corrections are required, the Financial Aid Office will submit all required corrections to the Federal Central Processor and will award financial aid.

**HOW FINANCIAL AID IS AWARDED**

- Academic year awards are disbursed in two or more amounts (fall/spring).
- Student borrowers who are in the first academic year of their degree program and who have never borrowed a federal Student Loan before will have the initial loan disbursement scheduled at least 30 days after the beginning of the loan period.
- Students receiving a one semester loan (Fall only, Spring only, or Summer only) will have their loan disbursed in two payments. The second disbursement may not be made until the student reaches the calendar midpoint between the first and last scheduled days of class of the loan period.
- Award packages must be adjusted throughout the year to avoid over-awards of federal funds. You will be mailed a revised award notification email informing you to review your awards on MineOnline.
- You must report all resources you receive to the Financial Aid Office as early as possible or you risk having to repay funds to a federal program. These additional resources include but are not limited to: BIA Grants, Scholarships, Waivers, Vocational Rehabilitation and Work Force Investment Act funding.
- You must make satisfactory academic progress per federal guidelines to retain your awards. Our SAP policy can be reviewed on our website at [www.occc.edu/financialaid/factsheets.html](http://www.occc.edu/financialaid/factsheets.html) and this link is provided with the Award Notification Email.

**RETURN OF FEDERAL STUDENT AID FUNDS WHEN A STUDENT WITHDRAWS**

Students who withdraw from all Courses in a Semester

Federal regulations require the OCCC Financial Aid Office to perform a calculation to determine the dollar amount of earned and unearned Federal Student Aid funds for students who officially or unofficially withdraw from a semester.

Any unearned funds must be returned to the appropriate Federal Student Aid program within 45 days of the determination that the student withdrew.

**HOW TO WITHDRAW FROM A COURSE AT OCCC**

Students may officially drop most courses online at [www.occc.edu](http://www.occc.edu) or totally withdraw from OCCC in person at Academic Advising in the Main Building - first floor. Students needing further assistance may call 682-7512.

**TOTAL WITHDRAWAL BEFORE COMPLETING 60% OF THE SEMESTER**

If a student completely withdraws from all courses before completing 60% of the semester, a calculation is performed. For a 16-week semester, 60% is approximately 10 weeks. Calculation of earned funds is based on the number of calendar days the student attends, according to the official OCCC record, and the number of calendar days in the semester. The percentage of time in attendance determines the amount of earned. The remaining percentage is unearned.

If the calculation determines that OCCC must return Federal Student Aid funds for institutional charges, including, tuition, fees, and any books or supplies charged to Federal Student Aid, OCCC will invoice the student for the returned funds.

If the calculation determines that the student must also return Federal Student Aid funds, OCCC will return the unearned portion owed by the student, and will invoice the student for the returned funds.

The student will be notified through their college email of the amount returned and the Federal Student Aid program(s) to which the funds were returned. Students should check with the Financial Aid Office for the exact date of the 60% point each semester.

**CALCULATION EXAMPLE**

- Student withdraws on day 54 in a 113-day semester (Sundays and breaks are not included in the count)
- 54 days/113 days = 47.8 % earned and the remaining amount 52.2% is unearned
- Student tuition and fees for the semester totals $547.00
- Federal funds disbursed to the student for the semester
- Subsidized Direct Loan $1,312.00
  - Pell Grant $1,562.00
- Total Disbursed $2,874.00 x 47.8 % = $1,374.00 earned funds
- $2,874.00 disbursed - $1,374.00 earned = $1,500.00 unearned
- OCCC must return the unearned percentage of charges
  - $547.00 x 52.2 % = $286.00 to the Direct Loan program
- The student must repay the unearned loan funds $1,312.00 - $286.00 = $1,026.00
- The remaining unearned portion $1,214.00 - $1,026.00 = $188.00 is Pell funds which are considered protected by Federal Student Aid Pell Grant rules. Students are not required to return unearned Pell funds less than 50% of the Pell disbursement.

The school and the student are required to return any unearned funds in the following order:
1. Unsubsidized Federal Direct Stafford Loan
2. Subsidized Federal Direct Stafford Loan
3. Federal Direct Plus Loan
4. Federal Pell Grant
5. Federal SEOG

**STUDENTS TAKING 8-WEEK OR 5-WEEK COURSES SEMESTER (MODULES)**

Students who are only taking 8-week or 5-week or a combination of such courses including Intersessions are considered a withdrawal if they do not complete all days scheduled to complete within the semester.

\[
\text{Calculation: } \frac{8 \text{ week semester}}{10 \text{ weeks}} \times 52.2\% = 47.8\%
\]

\[
\text{Earned: } \frac{8 \text{ week semester}}{10 \text{ weeks}} \times 100\% = 80\%
\]

\[
\text{Percentage: } 100\% - 80\% = 20\%
\]
Calculations vary from students who are in module courses. Please consult the Fact Sheet: Calculating Return of Funds for Students in Module Courses.

**STUDENTS WHO FAIL TO EARN A PASSING GRADE IN ANY COURSE FOR THE SEMESTER**

When a student earns all ‘F’ or ‘U’ grades in a semester, OCC is required to perform a Return of Federal Student Aid calculation based on the official OCC record date of attendance when the student has all ‘F’ or ‘U’ grades.

Students receiving a combination of failing grades (F,W,U,I) the latest official OCC record date will be used as the last date the student was enrolled for the semester and will be used in the calculation to determine the percentage of earned funds.

**STUDENTS WHO FAIL TO BEGIN ATTENDANCE**

If a student fails to begin attendance and the academic department does not have a record of beginning attendance, OCC is required to complete a Return of Funds calculation.

Beginning attendance for on-campus courses is defined as attending at least one day of class.

Beginning attendance for online courses is defined as participating in discussions, asking or answering a question from the professor or otherwise be involved in an academic activity. Logging into the class is not sufficient to determine attendance.

For students receiving Federal Direct Stafford Loan funds and never beginning attendance in any course, OCC is required to return all loan funds credited to the student’s account and any payment made by the student or on behalf of the student for the semester, not to exceed the amount of the loan.

If a student begins attendance in some courses, but not all, the OCC Financial Aid Office may be required to return Pell and Federal Direct Stafford Loan funds depending on the student’s enrollment level.

If the student falls below half-time enrollment status prior to the close of add/drop period, no additional loan disbursements will be made and the Pell Grant award will be recalculated based on the new enrollment status.

**POST-WITHDRAWAL DISBURSEMENT**

If a student who is eligible to receive Federal Student Aid funds withdraws from OCC after beginning attendance, the Financial Aid Office must determine the amount of Title IV grant or loan as=sistance earned by the student.

If the amount disbursed to the student is less than the amount the student earned, the student is eligible to receive a post-withdrawal disbursement.

OCC Financial Aid Office may apply the post-withdrawal disbursement to a student’s account to cover institutional charges and other charges for which the student has submitted appropriate authorization, not to exceed $200 for prior any year charges.

The student will receive a written notification of the availability of the post-withdrawal funds. For Federal Direct Stafford Loans the student or the parent for PLUS loans must respond within 14 calendar days to accept the loan funds.

**SATISFACTORY ACADEMIC PROGRESS (SAP)**

SAP is evaluated at the close of each semester based on the following criteria.

**QUALITATIVE EVALUATION**

Financial Aid cumulative GPA standards for Satisfactory Academic Progress (SAP) are:

| 1.30 | SEASON CREDIT HOURS EARNED | 1.7 CGPA |
| 3.1+ | SEASON CREDIT HOURS EARNED | 2.0 CGPA |

**QUANTITATIVE EVALUATION**

The cumulative number of credit hours successfully completed divided by the cumulative number of credit hours attempted measures PACE for SAP. Minimum PACE is 67%. Example: 24 successful / 36 attempted = 67% PACE.

Successful grades include: A, B, C, D, P, and CIP.

Unsuccessful include: F, AW, W, I, NP, AU and U.

Both successful and unsuccessful grades are counted as attempted.

Transfer credit hours that apply to any degree or certificate at OCC are counted in the number of attempted hours. Remedial or developmental credits are counted in the PACE calculation. Financial Aid Funds cannot pay for audited courses.

**MAXIMUM CREDIT HOURS**

The maximum amount of credit hours for completion is 150% of the credit hours normally required to complete a degree or certificate program.

Example: 60 hour program x 150% = 90 maximum hours for degree completion.

**APPEALABLE CIRCUMSTANCES**

Circumstances that could impact a student’s opportunity to meet SAP standards include but are not limited to: Death of an immediate family member, divorce, student or family member illness or accident requiring the student’s care for an extended period.

Documentation of the circumstances may be submitted with the appeal. The Financial Aid Office may request documentation to complete your review.

**DEGREE COMPLETION**

A student who completes associate degree or certificate program requirements, or those who graduate with a certificate or associate degree, are initially considered ineligible and must appeal to establish their educational goal (Financial Aid Academic Plan) and credit hours to complete a second degree or certificate from OCC.

**TRANSFER STUDENTS**

Students who have attended other colleges and universities are required to submit academic transcripts to the Recruitment and Admissions Office by rules of the Oklahoma State Regents for Higher Education. Once transfer credits are evaluated and placed on the college database, the Financial Aid Office will consider all college level credit hours that apply to any degree or certificate program offered by OCC when evaluating both Course Completion Rate (PACE) and Maximum Allowable Credit Hours. Transfer students to OCC who have an earned associate degree, bachelors, masters and/or doctorate degree are considered ineligible initially and must complete an appeal form for Continued Eligibility and must establish their educational goal (academic plan) and the credit hours required to complete the degree/certificate from OCC prior to review of the appeal.

**APPEALS**

Students who have not met satisfactory progress after being placed on Warning for one semester, will be placed on Unsatisfactory Status and may appeal using the online Suspensions Appeal Form and submitting it. The appeal form will be received and reviewed by a Financial Aid Advisor. Students are notified of the decision through their college email.

Students, who exceed the maximum hours attempted, meet graduation requirements, graduate, or transfer in with a degree(s) must complete the Continued Eligibility (CE) Appeal Form, which is submitted to the OCC Graduation Office for review of the student’s Academic Plan for their declared major. The process assesses remaining courses to finish the program. This information is forwarded to the Financial Aid Office for review. Students are notified of the decision through their college email.
PROBATION
If a student's appeal is approved, the student is placed on Probation for the next semester of enrollment. Conditions of the Probation semester will be stated in the email notification to the student. Conditions may include an individualized Financial Aid Success Plan (FASP). At the close of the Probation semester if the student has not met the conditions set forth when the appeal was approved they will be placed on Unsatisfactory Status and will not be eligible for Federal Title IV Student Financial Aid. If the student meets or exceeds all SAP criteria at the close of the Probation semester, they are placed on Satisfactory Status.

FINANCIAL AID SUCCESS PLANS
Students placed on probation that are unable to meet satisfactory progress in one semester will be required to complete a Financial Aid Success Plan. The timeframe may be a number of semesters or the remaining time to complete the degree. This may include one or more of the following: referral to support services, a reduced course load, scheduled counseling sessions, adjustments to financial assistance. Students on a FASP must maintain a semester PACE rate of 67% and semester GPA of 2.0. To be considered for a FASP, students must submit an appeal by the 16 week scheduled adjustment period.

REGAINING ELIGIBILITY
Students placed on Unsatisfactory Status by the Financial Aid Office, then placed on Probation after a successful appeal lose eligibility after one semester of Probation if they have not met SAP standards. Students may regain eligibility by taking at least six (6) credit hours on their own in each subsequent semester until they meet SAP standards. They may then submit an online Suspension Appeal Form to the Financial Aid Office explaining they have now met all Financial Aid SAP standards. The Financial Aid Advisor will review the student’s cumulative history and if the student has met the SAP standards, will place the student on Satisfactory Status for the next semester of enrollment. A student on Probation with a FASP based on a Continued Eligibility (CE) appeal must meet all SAP standards each semester to remain on schedule to complete their Financial Aid Academic Plan. The Financial Aid Success Plan is void if the student does not meet SAP standards each semester (67% PACE and 2.0 GPA).

REPEATED CREDIT HOURS
Students may repeat a course as needed to replace a failing grade if the course is needed to complete degree requirements at OCCC. A passed course may be repeated once and counted for enrollment if a higher grade is necessary to meet degree requirements at OCCC.

DEVELOPMENTAL COURSEWORK
Students may attempt up to 30 credit hours of developmental coursework and receive Federal Title IV Student Financial Assistance toward enrollment that is part of an Academic Plan based on assessment testing and academic advisement. Students who are in an eligible degree program and taking exclusively developmental coursework must earn a passing grade in each course to be considered to have met qualitative SAP criteria. Students taking a combination of regular coursework and developmental must meet SAP Cumulative GPA requirements and earn passing grades in all developmental courses to meet qualitative criteria.

ESL/IEP
Students for whom English is a second language (ESL) are required to document proficiency in English prior to admission for credit classes. This insures students have a reasonable chance to succeed in college coursework. Students who take IEP courses as a means to document proficiency in English enabling them to begin college level credit courses will not be eligible for Federal Title IV Student Financial Assistance because these are not part of a Degree Plan and do not lead to an educational credential.
SECTION IV - ACADEMIC POLICIES

The College is committed to providing an environment where people can study and learn. To maintain such an environment, procedures have been developed to protect the rights, health, and safety of students, staff, and faculty. Information on the Student Conduct Code and the Student Disciplinary Procedures is available in the Student Handbook and through staff in the Office of the Vice President for Enrollment and Student Services.

ENGLISH LANGUAGE PROFICIENCY

In accordance with State Law, Oklahoma City Community College hires faculty members who are proficient in both written and spoken English. Student complaints regarding proficiency in written or spoken English of faculty should be filed with the President's Office.

ACADEMIC FORGIVENESS

Oklahoma City Community College offers students an opportunity to recover from previous academic problems, which have resulted in a poor academic record. The three provisions for academic forgiveness are: 1) repeated courses, 2) academic reprieve, and 3) academic renewal. Although these options may result in an improved retention and graduation grade point average (GPA), the cumulative GPA will continue to include all coursework attempted, including “forgiven” coursework. Additional information and petition forms are available in the Records and Registrar Office.

*Committee Approval Required.

INTEGRITY POLICY

Students of Oklahoma City Community College are expected to meet the highest ethical standards in their academic pursuits. Faculty and staff share in this responsibility with students to maintain academic integrity. - Tampering with experimental data to obtain “desired” results, or creating results for experiments not done;
- Creating results for observations or interviews that were not done;
- Obtaining an unfair advantage by gaining or providing access to examination materials prior to the time authorized by the faculty member.
- Tampering with or destroying the work of others;
- Submitting substantial portions of the same academic work for credit or honors more than once without permission of the faculty member;
- Lying about these or other academic matters;
- Falsifying college records, forms or other documents;

ACADEMIC STANDARDS

Oklahoma City Community College wants every student to achieve academic success. To help retain motivated students and identify those who may need special attention, the college has adopted academic standards based on criteria established by the Oklahoma State Regents for Higher Education.

Academic Notice—Students will be placed on academic notice if their retention grade point average falls below a 2.00 while remaining above retention standards for academic probation or academic suspension.

Academic Probation—Students will be placed on academic probation if they fail to meet the following requirements:

Credit Hours Attempted Cumulative GPA Requirement:

0 through 30 semester credit hours.............................................1.70
Greater than 30 semester credit hours........................................2.00
Students not maintaining satisfactory progress as defined by these standards will be placed on academic probation for at least one semester. At the end of that semester, the student must have achieved a semester GPA of 2.00 in regularly graded coursework, not to include activity or performance courses, or meet the minimum institutional retention standards in order to continue as a student.

Academic Suspension—Students on academic probation not meeting the requirements of that probation will be suspended for the next 16-week semester. Students suspended for the first time may apply for readmission after meeting the terms of their suspension. They will be encouraged to meet with an Advisement Professional in Office of Academic Advising to further identify areas of academic difficulty, schedule mandatory participation in appropriate college support services (developmental studies courses, study skills and/or tutoring sessions) and schedule follow-up meetings. The student will be admitted on a probationary basis and will be expected to meet all terms of that probation. If probationary terms are not met again, the student will be suspended for a second time and not allowed readmission until his/her retention GPA meets institutional standards through courses completed at another institution.

ACADEMIC SUSPENSION APPEALS

Policy No. 5009

Any student who has been placed on a first academic suspension at Oklahoma City Community College and has met terms of their suspension by sitting out a 16-week semester may petition to the Registrar for readmission. The readmission policy is governed by Oklahoma State Regent Policy (OSRHE Policy & Procedures Manual 3.9.8, Paragraph D). Students wishing to submit such an appeal for readmission may do so by complying with the following procedure:

1.1 The student must fill out the Suspension Appeal Form.

1.2 The student must submit an appeal, in writing, to the Registrar, or his/her designee, explaining the extraordinary circumstances, which led to the academic difficulties along with additional information or plans which reflect the student’s commitment to future academic success.

1.3 The student will be notified of approval or disapproval within one week of submitting the items above to the Registrar and Records Office.

1.4 If the appeal is approved, the student will be admitted on probation and will be expected to meet all standards of that status. A student not meeting the specific probationary requirements will be placed on a second academic suspension and will not be allowed to re-enroll as a student at OCCC until such time as he/she has demonstrated academic ability by attending another institution while raising his/her retention/graduation GPA to appropriate retention standards (2.0).

2.0 ACADEMIC SUSPENSION—APPEAL FOR EARLY READMISSION

Under certain circumstances, a student shall be provided the opportunity for a review of their academic suspension status in the event “extraordinary personal circumstances” contributed to the student’s academic deficiencies. An appeal of this nature is in accordance with Oklahoma State Regent Policy (OSRHE Policy & Procedures Manual 3.9.8, Paragraph C) and provides a student with an option to return to Oklahoma City Community College without having to sit out a 16-week semester. Students wishing to appeal his/her first academic suspension status at Oklahoma City Community College may do so by complying with the following procedure:

2.1 The student must fill out the Suspension Appeal Form.

2.2 The student must submit an appeal, in writing, to the Registrar explaining the extraordinary circumstances which might warrant reconsideration of suspension or cause for immediate readmission. The student’s extraordinary circumstances must fall within one of the six categories below as outlined in Oklahoma State Regent Policy:

- 2.2.1 Death of Immediate Relative
- 2.2.2 Serious Illness
- 2.2.3 Severe Financial Distress
- 2.2.4 Unexpected Substantial Family Obligations
- 2.2.5 Personal Crisis
- 2.2.6 Direct Significant Work Conflicts

2.3 The student must also submit supporting documentation to be included with the Suspension Appeal Form and written appeal. All forms must be turned in to the Registrar in the Registrar and Records Office.

2.4 The Registrar will submit the Suspension Appeal Form, written appeal, supporting documentation, academic records, transcripts, and other pertinent institutional information to the Suspension Appeals Committee. The Committee will meet on a regular basis as determined by the quantity of appeals submitted and will consist of the following representatives:

- 2.4.1 Registrar or his/her designee (Chair of the Committee & permanent representative)
- 2.4.2 Academic Affairs Administrator (two-year term)
- 2.4.3 Academic Advisor (two-year term)
- 2.4.4 Admission Officer (two-year term)
- 2.4.5 Student Representative (one-year term)

2.5 The Committee will consider the appeal in its entirety and a judgment shall be made as to the appropriateness of “extraordinary circumstances” in relation to the readmission of the student. Any decision made to readmit shall be accompanied by recommendations for mandatory participation in support services, which include, but are not limited to, the following:

- 2.5.1 Enrollment in pre-defined coursework.
- 2.5.2 Academic advisement for the purpose of assessing and evaluating current academic difficulties.
- 2.5.3 Regular meetings with an academic advisor and/or the Registrar for motivational and tracking purposes.
- 2.5.4 Reduction of the number of hours allowed for enrollment.
- 2.5.5 Testing or retesting with recommended course placement.

2.6 A student recommended for readmission by the Suspension Appeals Committee will be readmitted on probation and expected to meet all standards of that status. A student not meeting the specific probationary requirements will be placed on a second academic suspension and will not be allowed to re-enroll as a student at OCCC until such time as he/she has demonstrated academic ability by attending another institution while raising his/her retention/graduation GPA to appropriate retention standards (2.0).
TRANSFER STUDENTS

Transfer students are required to provide official transcripts from all previously attended institutions at the time of admission. Any student transferring to Oklahoma City Community College who has been placed on academic probation or academic suspension by another institution or who does not meet the Oklahoma City Community College retention standards will be admitted on probation.

ATTENDANCE AND RESPONSIBILITY FOR LEARNING

The college’s approach to education emphasizes the students’ acceptance of responsibility for their learning. Students are expected to make maximum use of learning opportunities available to them. A student in need of support to improve his/her academic performance may be referred to a learning specialist through the college’s early alert system. Learning support specialists work with students to improve their academic performance by promoting success strategies for time management, study skills, organization, and work/life balance. Additionally, the professor may refer the student to the Division Dean for one or more of the following reasons:

- The student is not attending class meetings and has failed to contact the professor to make other arrangements.
- The student is making inadequate effort to progress in the course and has a minimal chance of course completion in the opinion of the professor.
- In the opinion of the professor, the student has not effectively used the available learning experiences.
- Due to family or employment responsibilities the student is unable to achieve the course objectives.
- Without further consultation or explanation the student has not met major deadlines agreed upon with the professor.

The Division Dean may recommend the following action:

- A reduction in course load.
- Immediate withdrawal from a course or courses.
- Suspension of further work in a course or courses until a later semester.

STUDENT APPEAL OF A GRADE

Administrative Procedure No. 4030

A student who believes a final grade in a course was incorrectly administered may appeal that grade.

DEFINITION: Working Day means any day, excluding Saturday and Sunday, on which the College is open for business, even if classes are not in session.

Procedure for student appeal of a final grade:

Step 1: The student must meet with the instructor who assigned the final grade and attempt to resolve the matter. The initial meeting with the instructor should occur as soon as possible and must occur within 90 calendar days after the final grade in question was placed on the student’s permanent record. The student may obtain help in establishing an appointment with the instructor from the appropriate academic division office.

If the instructor is no longer available, the student must meet with the appropriate Department Director, Department Chair, or Program Director, who will act on behalf of the instructor.

Step 2: Within ten (10) Working Days following the meeting with the instructor, if the student continues to believe the final grade is incorrect, the student may submit a fully completed “Student Appeal of a Grade” form to the appropriate academic Division office.

The appeal must contain the student’s name, student identification number, current address, and telephone number; the instructor’s name; the course number, section number, and semester involved; the specific issue in question; the student’s position on the issue; and pertinent documentation relating to the issue.

The Division Dean will request relevant information from the instructor and arrange a meeting with the student. The instructor may be present during the meeting. After meeting with the student and reviewing the appeal and any other available information, the Division Dean will make a recommendation to the instructor.

Within ten (10) Working Days of the Division’s receipt of the Student Appeal of Grade form, the Division Dean will notify the student in writing by certified mail of the instructor’s decision.

Step 3: If the student continues to believe the final grade is incorrect, the student may appeal the instructor’s decision by requesting an appeal hearing before a Grade Appeal Committee. The student’s appeal must be in writing directed to the Associate Vice President for Academic Affairs and must be received by the Associate Vice President for Academic Affairs within five (5) Working Days of the student’s receipt of written notification from the Division Dean. If the student fails to submit the written request for an appeal hearing within this five (5) Working Day time period, the student loses all rights to appeal the instructor’s decision.

Step 4: Within ten (10) Working Days of Associate Vice President for Academic Affairs’ receipt of the student’s request for an appeal hearing, the Grade Appeal Committee shall be activated.

The Grade Appeal Committee will be composed of six (6) faculty, one from each of the academic divisions, who have been elected by the faculty in the respective divisions, not to include the instructor involved in the case. The Grade Appeal Committee will also include three (3) students selected by the Vice President for Enrollment and Student Services.

Step 5: The hearing to consider the appeal of the student will be scheduled for a date not more than 15 Working Days from the date the Associate Vice President for Academic Affairs receives the student’s request for an appeal hearing. If, during the Summer Session, the Vice President for Academic Affairs determines that there are insufficient faculty for an appeal hearing, this time frame may be extended to September 1. All Grade Appeal Committee Hearings will be closed meetings.

Step 6: At the hearing, the Committee shall evaluate the request and allow the student and the instructor to present their positions and any supporting information. The student and the instructor shall have no more than one hour each to present their positions and any supporting information or evidence. The student shall present first, followed by the instructor. The student shall then have 15 minutes to rebut the instructor’s evidence. The burden of proving that the assigned final grade is incorrect rests at all times with the student. Neither the student nor the instructor shall be represented by an attorney at the hearing.

Step 7: The Grade Appeal Committee shall consider all information and documents presented by the student and the instructor, and the recommendation of the relevant Division Dean. The Grade Appeal Committee may also consider other documents the Committee deems relevant to the proceedings, and the instructor and the relevant Division Dean shall provide the Committee access to such documents.

COMMITTEE DETERMINATION

At the end of the Grade Appeal hearing, the Committee will meet privately to discuss the case and make a determination. If the Committee determines by unanimous vote that it is highly probable
that the assigned final grade is incorrect, then the final grade will be changed. If the vote is not unanimous, the assigned final grade will stand. The Committee will provide its determination in writing (not electronically) to The Associate Vice President for Academic Affairs within three (3) working days of the Committee’s reaching its determination. The Associate Vice President for Academic Affairs will notify the instructor and student by certified mail of the Committee’s determination within five (5) Working Days of the Associate Vice President’s receipt of that determination.

ADMINISTRATIVE ACTION

The Associate Vice President for Academic Affairs shall be responsible for the administrative action required to make any necessary final grade changes on the student’s record resulting from the Committee’s determination.
SECTION V - STUDENT GRIEVANCES AND STUDENT DISCIPLINARY PROCEDURES

ADMINISTRATIVE PROCEDURE NO. 5035

STUDENT COMPLAINT AND GRIEVANCE CONDITIONS AND DEFINITION

- The purpose of the student complaint policy is to provide equitable and orderly processes to resolve complaints by students against College personnel.
- A student complaint is defined as a difference or dispute between a student and a member of the College staff related to services rendered.
- A student complaint may be raised to the level of grievance if both of the following conditions exist:
  - The complaint is unresolved at the informal level, and
  - The complaint involves an action that has been taken against a student by College personnel that misrepresents a policy or procedure.
- The student complaint policy does not cover matters covered through other College policies and procedures, including, but not limited to: sexual misconduct, discrimination, academic dishonesty, student conduct and appeal of financial charges.

INFORMAL STUDENT COMPLAINT RESOLUTION PROCESS STEP ONE

- The first step in the informal complaint resolution process is to directly contact the staff member with whom the student has a difference or dispute to arrange a mutually agreeable meeting time.
- The staff member, as they deem appropriate, may request the student provide a written summary of the complaint at or before the arranged meeting. It is at the discretion of the staff member what specific information must be contained in the written materials.
- If the complaint is not resolved during the first step in the informal complaint resolution process, the student may move to step two. If the complaint is of a nature that it cannot be reasonably discussed or resolved directly with the staff member alone, the student may move immediately to step two in the complaint resolution informal process.

INFORMAL STUDENT COMPLAINT RESOLUTION PROCESS STEP TWO

- The second step in the informal complaint resolution process is to directly contact the staff member’s direct supervisor or their designated personnel.
- If the student chose not to engage in the first step of the informal complaint resolution process, it is at the discretion of the staff member’s supervisor whether to require the student complete first step in the process before moving to step two.
- The supervisor or their designee must contact the student and arrange a mutually agreeable meeting time upon receipt of the complaint.
- The supervisor or designee may, as they deem appropriate, request the student provide a written summary of the complaint at or before the arranged meeting time. It is at the discretion of the supervisor as to what specific information must be contained in the written materials.
- If the difference or dispute is not resolved at the informal level, and the complaint involves an action that has been taken against a student by College personnel that misrepresents a policy or procedure, the student may move to step three, the formal grievance process.
- If the complaint does not meet both the above listed standards, the decision or resolution proposed by the supervisor will stand as the final decision on the difference or dispute.

FORMAL GRIEVANCE PROCESS STEP THREE

- To initiate a formal grievance, the student must submit a formal, written grievance within 5 business days after the informal resolution meeting with the staff member’s supervisor or designee.

- The formal grievance form is submitted to the Associate Vice President of Enrollment Services or their designee.
- The President's Cabinet member will contact the student within 5 business days to arrange a formal meeting with the student. The meeting will be at a mutually agreeable time and date within normal business hours and within 10 days of contact with the student. At this time, it is at the President’s Cabinet member’s discretion to require additional information, documentation or specified supporting materials at or before the formal meeting with the student.
- Within 5 business days following the formal meeting, the President’s Cabinet member will send the student a written decision.

FORMAL GRIEVANCE PROCESS APPEAL STEP FOUR

- The student may appeal the decision of the President’s Cabinet member if one of two conditions is met.
  - There is a concern due process procedures, or
  - New information is provided that is substantively relevant to the grievance.

  - Summary of complaint, to include information regarding the specific policy or process it is believed the staff member violated.
  - Supporting documentation as appropriate.
  - Specific information regarding questions of due process or clearly outlined new information that is substantively relevant to the grievance.

- In collaboration with the Vice President for Enrollment and Student Services or their designee, the Associate Vice President of Enrollment Services will form an ad hoc committee to include two staff members, two faculty members and one student all with no previous knowledge of the grievance or complaint.

- The Associate Vice President of Enrollment Services or designee will serve as a nonvoting chair of the committee. Their purpose is solely to facilitate the process.

- The committee will be given the grievance materials within 5 business days of receipt of the grievance appeal and given 5 business days to review the materials and request additional information from the student.

- The student will be contacted within 5 business days of the committee’s review of the materials to schedule a formal appeal meeting. The meeting will be at a mutually agreeable time and date within normal business hours and within 10 days of contact with the student.

- At the completion of the formal appeal meeting, the committee will have 5 days to deliberate and notify the Associate Vice President for Enrollment Services or their designee of the decision.

- In the event an extension of time is necessary or the rescheduling of a meeting required on the part of College personnel, the student will be contacted and appropriate and timely arrangements made.

- In the event the rescheduling of a meeting is required on the part of the student, the student must contact the appropriate individual in advance of the meeting. If the student does not contact the appropriate decision making individual in advance of the scheduled meeting, a decision will be made on the difference or dispute and no further steps in the process may be sought.

- Oklahoma City Community College email will serve as the official form of communication throughout the process.

At the end of this conference the student shall either deny or admit the allegations filed against him/her.

- In the event that the student admits the allegation(s) filed against him/her, the Hearing Officer shall determine what disciplinary sanctions will be imposed upon the student and shall notify the student in writing, which will be sent to his/her official student email account, as to the details of these sanctions.
- In the event that the student denies the allegation(s) filed against him/her, the Hearing Officer shall make a determination regarding the truthfulness of the allegations and shall notify the student in writing, which will be sent to his/her official student email account, of that determination and the disciplinary sanctions that may be imposed upon the student.

- In the event that the student neglects or refuses to appear for the conduct hearing, the student shall be deemed in default and to have admitted that the allegations contained in the complaint are true. In such a case, the Hearing Officer has the authority to hear the case without input from the student and impose disciplinary sanctions. Notification of the outcome of the hearing will be sent to the student’s official student email account.

In order for a student to be found responsible, the information must support a determination that it is more likely than not, or the preponderance of the evidence, that a violation of the Student Code of Conduct occurred. Hearsay evidence may be considered but will be weighed accordingly.

In cases of repeated violations of the Student Conduct Code, the Hearing Officer may consider the student’s disciplinary history and impose increasingly punitive sanctions.

SANCTIONS

- Written Warning: An official written notice that the student has violated college policies and that more severe conduct action will result should the student be involved in other violations while the student is enrolled at the College.
- Restriction: A limitation on a student’s privileges for a period of time and may include but is not limited to the denial of the use of facilities or access to parts of campus, denial of the right to represent the College, or denial of participation in extracurricular activities not directly associated with academics (e.g., intramural sports, attending campus events, participations in student organizations).
- Educational and Behavioral Change Requirement: Opportunities for personal development. These requirements can include, but are not limited to, a reflection essay, community service, seeking academic or personal counseling, participation in an ethics or decision making class, and other relevant educational opportunities.
- Class Removal: The student shall be dropped from a class or moved to another section of a class. Faculty members, in consultation with the Hearing Officer, reserve the right to interim suspend a student from class pending a hearing for alleged violations of the Student Code of Conduct occurring in the classroom that substantially interfere with teaching or other students’ ability to learn.
- No Contact Order: An absolute prohibition from contact with specified person or persons in any form whatsoever, including but not limited to contact in person, by phone, electronically, or through another person. A No Contact Order may be implemented as an interim measure for issues regarding sexual violence or other Title IX issues. Violating a No Contact Order may result in suspension from the College.
- Restitution: Compensation for the damage caused to the College or any person’s property on campus. This is not a fine but rather a repayment for labor costs and/or value of property destroyed, damaged, consumed, or stolen.
- Probation: A specified period of time during which the student is placed on formal notice that he/she is not in good standing with the College and that further violations of College regulations will subject him/her to suspension or expulsion from the College.
- Suspension and Expulsion
  - Suspension: The exclusion from enrollment in classes and other privileges or activities for a definite period of time not to exceed five (5) years and until the conditions which are set forth in the hearing outcome letter are met. Students who are suspended from the College are not permitted on campus at any time for any reason during the period of suspension, unless otherwise permitted by the Hearing Officer. Notification on the transcript is not made; however, a record of the action is maintained in the student’s record in the Registrar’s Office. Any refund of tuition or fees will be subject to the College’s normal withdrawal policy.
• **Expulsion**: Expulsion is when a student is ordered removed as a student of the College on an immediate and permanent basis. When a student is expelled, record of this action will be made a part of the student’s permanent record and will be noted on the student’s transcript. A student who is expelled will not be allowed to re-enroll at the College.

• On appeal, the Student Conduct Committee cannot recommend sanctions other than suspension or expulsion to replace an original sanction of suspension or expulsion unless the recommendation is unanimous or the Student Conduct Committee finds that the student did not commit the associated violation.

**APPEALS**

When disciplinary sanctions are imposed, the student may appeal the decision.

• The Vice President for Enrollment and Student Services shall review appeals for all sanctions other than suspension or expulsion.

• The Student Conduct Committee shall review appeals of the following sanctions: Suspension or Expulsion.

If an appeal is filed, the student may at the same time request that the Vice President for Enrollment and Student Services delay the imposition of the disciplinary sanctions until final resolution of the appeal. The Vice President for Enrollment and Student Services shall have the discretionary authority to approve or deny such a request.

**STUDENT CONDUCT COMMITTEE HEARING REQUEST**

• In order for the student to appeal to the Student Conduct Committee, the student must complete the Student Conduct Committee Hearing Request Form in its entirety.

• A detailed rationale and supporting documentation of the reason for appeal must be provided with the Student Conduct Committee Hearing Request Form.

• This form must be submitted to the Office of the Vice President for Enrollment and Student Services within five (5) college business days from the date of the receipt by the student of the determination of the Hearing Officer.

• Students may be contacted by the Vice President for Enrollment and Student Services if additional information is needed during the review process. If the student fails to submit the appeal on the approved form or does not follow the submission procedures outlined in the sanction notification letter within this five (5) day period, the student may lose all rights to appeal the determination.

• The hearing to consider the appeal of the student will be set at a date not more than ten (10) college business days from the date of the formation of the Committee.

  • A summary of the facts of the incident(s) which form the allegations against the student.
  • The names of all witnesses who will be called to testify against the student, and a brief summary of the expected testimony of each witness.
  • The identity of any affidavit, statement or other document the designated administrator plans to introduce as an exhibit, as well as a copy of any such document not previously provided to the student.
  • The time, date and location of the hearing.
  • The procedure to be followed at the hearing.

  • The names of all witnesses who will be called to testify for the student, and a brief summary of the expected testimony of each witness.
  • The identity of any affidavit, statement or other document the student plans to introduce as an exhibit, as well as a copy of any such document not previously provided to the designated administrator.

In the event that the Chief Discipline Officer is not available to represent the College, the Hearing Officer for the case shall be assigned to present the case to the Student Conduct Committee.

**RIGHTS OF THE STUDENT**

The student has the right to be represented by a person of the student’s choice, the expenses of which, if any, must be borne by the student.

• This person may be an attorney.

• If the student chooses to be represented, he/she must notify the Vice President for Enrollment and Student Services and identify the representative by name and provide the representative’s address and phone number no less than three (3) College business days prior to the Student Conduct Committee hearing.

• The representative and/or legal advisor may be employed by the College, provided that the designated administrator shall not be represented or advised by the direct supervisor of any member of the Student Conduct Committee.

• The representative and/or legal advisor may not be the College’s legal counsel if such counsel has been authorized by the College President to assist the Committee.

• If specifically authorized by the College President, the designated administrator may be represented and advised by outside counsel.

The Chief Discipline Officer has the right to confront and cross-examine witnesses who give oral testimony.

The Chief Discipline Officer has the right to present witnesses, affidavits, statements and other forms of documentary evidence.

**ROLE OF THE VICE PRESIDENT FOR ENROLLMENT AND STUDENT SERVICES DURING THE HEARING**

The Vice President for Enrollment and Student Services is not permitted to speak or ask questions once the hearing is turned over to the committee chair.

HEARING PROCESS

Hearings before the Student Conduct Committee shall be conducted in substantial compliance with the following procedure:

- Both the Chief Discipline Officer and the student will be permitted to present opening statements of no more than five (5) minutes in length to the Committee, with the designated administrator speaking first.
- The Chief Discipline Officer will present evidence first, followed by the student.
  - The oral testimony of all witnesses will be made under oath.
  - Each party will be permitted to cross-examine any witness giving oral testimony on behalf of the other party after that witness has testified.
- Each party will be afforded the opportunity to present closing arguments of not more than five (5) minutes in length to the Committee at the conclusion of the hearing, with the student speaking first.

Proceedings before the Committee will be recorded.

All Student Conduct Committee Hearings will be closed meetings.

BURDEN OF PROOF

The burden of proving the existence of the violations upon which the complaint is based rests with the Chief Discipline Officer. As to each violation, the Chief Discipline Officer must demonstrate that it is more likely than not that the violation occurred (also known as a “preponderance of the evidence” standard).

EVIDENCE

Strict conformity to courtroom rules of evidence is not required in the hearing conducted by the Committee. Rulings as to the admissibility of evidence will be made by the Chairperson of the Committee. The Chairperson of the Committee has the authority to limit incompetent, unduly repetitious or irrelevant exhibits and testimony.

COMMITTEE FINDINGS AND RECOMMENDATION

The Student Conduct Committee shall base its findings and recommendation solely on the evidence presented or submitted during the hearing.

On each violation alleged and under consideration by the Committee, the Committee shall conduct a vote as to whether the violation occurred. If a majority of the Committee agree that a particular violation occurred, the Committee’s finding shall be that the violation occurred; otherwise, the Committee’s finding shall be that the violation did not occur.

If the Committee finds that some or all of the alleged violations occurred, it shall consider and make a recommendation by majority vote regarding the appropriate level of discipline to be imposed, which shall include one or more of the disciplinary sanctions provided for in Section 7.0 of this Student Conduct Code; provided, the Committee shall not make any recommendation consisting solely of the disciplinary sanctions described in Section 7.0 of this Student Conduct Code.

The Committee shall inform the Vice President for Enrollment and Student Services in writing of its findings and recommendations, if applicable, within three (3) College business days.

If the Committee’s recommendation as to sanctions is unanimous, the recommended sanctions shall serve as the final resolution of the violation(s). If the Committee’s recommendation as to sanctions is less than unanimous, the Vice President for Enrollment and Student Services shall, after considering the recommendation of the Committee and the evidence presented and submitted during the Hearing, determine the sanctions to be imposed as the final resolution of the violation(s).

The Vice President for Enrollment and Student Services shall inform the student in writing of the findings and recommendations of the Committee and the final resolution of the alleged violations within fifteen (15) college business days after receipt of the Committee’s findings and recommendations.

RELEVANT DEFINITIONS

Consent: Under Oklahoma State law, Title 21 §113, The term “consent” means the affirmative, unambiguous and voluntary agreement to engage in a specific sexual activity during a sexual encounter which can be revoked at any time. Consent cannot be given by an individual who is asleep or is mentally or physically incapacitated either through the effect of drugs or alcohol or for any other reason, or is under duress, threat, coercion or force; or inferred under circumstances in which consent is not clear including, but not limited to the absence of an individual saying “no” or “stop”, or the existence of a prior or current relationship or sexual activity. Therefore, Consent is defined as the act of willingly agreeing to engage in sexual contact or conduct. Individuals who consent to sex must be able to understand what they are doing. Under the OCCC Policy No. 1012, “No” always means “No,” and the absence of “No” may not mean “Yes”.

Consent is informed, knowing and voluntary. Consent is active, not passive. Silence, in and of itself, cannot be interpreted as consent. Consent can be given by words or actions, as long as those words or actions create mutually understandable permission regarding the conditions of sexual activity.

For a more thorough explanation of Consent, see College Policy No. 1012, Section 3.17.

Sexual Assault: Means an offense classified as forcible or non-forcible sex offence under the uniform crime reporting system of the Federal Bureau of Investigation. Sexual Assault is defined as any type of sexual contact or behavior that occurs without the explicit consent of the recipient. Sexual activities that fall under this definition include forced sexual intercourse, forcible sodomy, child molestation, incest, fondling, and attempted rape.

Domestic Violence: Defined as a felony or misdemeanor crime of violence committed
• By a current or former spouse or intimate partner of the victim;
• By a person with whom the victim shares a child in common;
• By a person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner;
• By a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred;
• By any other person against an adult or youth victim who is
protected from that person’s acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred.

**Dating Violence:** Defined as violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on the Complainant’s statement and with consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.

- For the purposes of this definition, dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse.
- Dating violence does not include acts covered under the definition of domestic violence.
- Any incident meeting this definition is considered a crime for the purposes of Clery Act reporting.

Under Oklahoma State law, Title 21§644, Domestic/Dating Violence is defined as domestic and dating violence as any person who commits any assault and battery against:
- a current or former spouse,
- a present spouse of a former spouse,
- a former spouse of a present spouse,
- parents,
- a foster parent,
- a child,
- a person otherwise related by blood or marriage,
- a person with whom the defendant is or was in a dating relationship as defined by Section 60.1 of Title 22 of the Oklahoma Statutes,
- an individual with whom the defendant has had a child,
- a person who formerly lived in the same household as the defendant, or
- a person living in the same household as the defendant.

**Stalking:** Stalking is defined as engaging in a course of conduct directed at a specific person that would cause a reasonable person to:
- Fear for the person’s safety or the safety of others; or
- Suffer substantial emotional distress.

For the purposes of this definition:
- Course of conduct means two or more acts, including, but not limited to, acts in which the stalker directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person’s property.
- Reasonable person means a reasonable person under similar circumstances and with similar identities to the victim.
- Substantial emotional distress means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.
- Any incident meeting this definition is considered a crime for the purposes of Clery Act reporting.

Under Oklahoma State law, the definition of Stalking is: Any person who willfully, maliciously and repeatedly follows or harasses another person in a manner that:
- Would cause a reasonable person or a member of the immediate family of that person to feel frightened, intimidated, threatened, harassed, or molested; and
- Actually causes the person being followed or harassed to feel terrorized, frightened, intimidated, threatened, harassed, or molested.

**Bystander Intervention:** A bystander is someone other than the victim who is present when an act of dating violence, domestic violence, stalking or sexual assault is occurring or when a situation is occurring in which a reasonable person feels as though some protective action is required to prevent sexual assault, dating violence, domestic violence or stalking. Bystanders, if active, can prevent harm or intervene before a situation gets worse. Examples of active bystander intervention include: not leaving an overly intoxicated person in a bar/party alone, walking a classmate to his/her car after class, calling police when a potentially violent situation is unfolding, not leaving an unconscious person alone (alerting an Advisor, Advocate, campus police, etc.), or intervening when someone is being belittled, degraded or emotionally abused (walking victim away from abuser, contacting others for help, like Counseling center, Student Life, Dean).

**What to do if you have been the victim of sexual assault, dating violence, domestic violence or stalking:**
After an incident of sexual assault and domestic violence, the victim should consider seeking medical attention as soon as possible at the designated hospital offering PHYSICAL EVIDENCE RECOVERY KIT COLLECTION/ACCESS TO FORENSIC NURSE EXAMINERS/SEXUAL ASSAULT NURSE PRACTICIONERS. In Oklahoma City,
information about the designated hospital offering these services may be obtained from the YWCA Sexual Assault Hotline, 405-943-RAPE (7273). In Oklahoma, evidence may be collected even if you chose not to make a report to law enforcement.

The Oklahoma City YWCA and OCCC have partnered to provide crisis assistance to our students. **Help is available 24 hours a day, 7 days a week.** YWCA Sexual Assault Advocates are available to meet with you, in person, on or off campus. Call (405) 943-7273. These Advocates and Sexual Assault Nurse Practitioners (SANE) nurses are specially trained to properly collect, preserve, and document evidence without re-traumatizing a victim during the process.

It is important that a victim of sexual assault not bathe, douche, smoke, change clothing or clean the bed/linen/area where they were assaulted if the offense occurred within the past 96 hours so that evidence as may be necessary to the proof of criminal activity may be preserved. In circumstances of sexual assault, if victims do not opt for forensic evidence collection, health care providers can still treat injuries and take steps to address concerns of pregnancy and/or sexually transmitted disease.

Victims of sexual assault, domestic violence, stalking, and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents, if they have any, that would be useful to any OCCC investigators or Campus or local police. Although the College strongly encourages all members of its community to report violations of this policy to law enforcement, it is the victim’s choice whether or not to make such a report and victims have the right to decline involvement with the police.

To report a crime involving a sexual assault, domestic violence, stalking, and/or dating violence, contact the OCCC Campus Police Department at 405-682-7872. If you are not sure and need to talk to someone about what you are experiencing, you may contact the Title IX Coordinator, Regina Switzer, at 405-682-7540. The Title IX Coordinator or a Deputy Title IX Coordinator will discuss options and will assist any victim with notifying campus or local police if they so desire. The Oklahoma City Police Department may be reached by calling 911 for emergencies, or (405) 231-2121 for non-emergencies. Additional information about the OCCC Police department, including the College’s Annual Security Report may be found online at: [http://www.occc.edu/policy/](http://www.occc.edu/policy/).

SECTION VII - DRUG, ALCOHOL AND TOBACCO FREE COLLEGE

In accordance with the Drug Free Schools and Campuses Act, Oklahoma City Community College would like to provide all Students and Employees with the information below.

The Oklahoma City Community College prohibits the possession, use, or distribution of illicit drugs and alcohol by students and employees on its property and as part of any activities held by the institution. Oklahoma City Community College makes available to employees and to any enrolled or prospective student information regarding the potential health risks associated with the use or abuse of various categories of drugs, alcohol, and tobacco products in a brochure entitled, “Learning about Your Drug, Alcohol, and Tobacco Free Campus.” This brochure also lists possible consequences of possession or use of these substances on College property or at College sponsored events. Copies of these brochures are made available to students at the Office of Recruitment and Admissions and to employees through an annual distribution within each department.

COLLEGE COMMITMENT

Administrative Policy No.1015

Oklahoma City Community College recognizes its responsibility to educate the College community about drug, alcohol and tobacco abuse. In meeting this responsibility, the College provides not only educational opportunities, but also assistance through support services. Crisis counseling, referral services, seminar offerings, and health information are available to students. Disciplinary actions will be taken against any student found to be possessing, using, or distributing illicit drugs or alcohol on College property or as part of any College activity. This document lists some of the federal, state and local penalties for drug use and alcohol abuse and the health risks associated with not only drug and alcohol, but also tobacco use. College policies concerning penalties for on-campus use of alcohol, drugs and tobacco may be found in the Student Handbook and in the College policies and procedures (College Policy 1014 and Policy 5001, as amended from time to time) which can be accessed through the OCCC website. The following information is provided in compliance with The Drug Free Schools and Communities Act Amendment of 1989 (Public Law 101-226).

PENALTIES

Students and employees are reminded that local, state and federal laws provide for a variety of legal sanctions and penalties for the unlawful possession or distribution of illicit drugs and alcohol. These sanctions include, but are not limited to, incarceration and monetary fines. The manufacturing, distributing, dispensing, or possession with intent to manufacture, distribute, or dispense carries different penalties depending upon the Schedule of the drug at issue. For Schedule I (e.g., heroin, cocaine, PCP, LSD, fentanyl, marijuana, methamphetamine, “spice,” and GHB) and Schedule II drugs (e.g., morphine, methadone, codeine, hydrocodone, opiates and amphetamines), the penalty for the first offense is not less than 5 years nor more than 40 years in prison, with a fine of not more than $2 million. For Schedule III drugs (e.g., Tylenol #3 and codeine based cough suppressants, Florinal, anabolic steroids), the penalty is not more than 3 years in prison, with a fine of not more than $250,000. For Schedule IV drugs (e.g., valium, oxazepam, chlordiazepoxide, etchlovynol), the penalty is not more than 5 years in prison, with a fine of not more than $250,000. For Schedule V drugs, (e.g., Terpine Hydrate and Robitussin AC), the penalty is not more than one year in prison, with a fine of not more than $100,000. Regardless of Schedule, enhanced penalties apply to second and later offenses, if death or serious injury results, and to trafficking within 1,000 feet of a school, including colleges and universities (21 U.S.C. §860). In addition, persons convicted of a controlled substance violation may be denied Federal benefits, such as student loans, grants, contracts and professional and commercial licenses (21 U.S.C. §862(a)). Forfeiture of real and personal property may also apply (21 U.S.C. §853(a)(2) and §889). The offender may also be ineligible to receive or purchase a firearm (18 U.S.C. §922(g)). Oklahoma law provides that any person convicted of distributing, dispensing, or possessing with intent to manufacture, distribute, or dispense a controlled dangerous substance or a counterfeit substance shall be guilty of a felony. The penalty varies depending upon the Schedule of the drugs at issue. Schedule I and II drugs carry a penalty of not less than 5 years in prison, with a fine of not more than $100,000. Schedule III and IV carry a penalty of not less than 2 years nor more than 40 years in prison. Schedule V drugs carry a penalty of not more than 5 years in prison and with a fine of not more than $2,000. The distribution of imitation controlled substances is a misdemeanor and can carry a penalty of not more than one year in prison with a fine of not more than $1,000. Enhanced penalties apply to second and later offenses, if death or serious injury results, and to trafficking within 1,000 feet of a school, including colleges and universities or in the presence of a child under 12 years of age (63 O.S. §2-402). It is unlawful for any person under 21 years of age to purchase or attempt to purchase alcohol. Violations are misdemeanors punishable by a fine not to exceed $300 or community service of 30 hours or less, or both. In addition, if the convicted party has an Oklahoma driver’s license, that license shall be revoked for a period of time. If the convicted party does not have an Oklahoma driver’s license, he/she shall be ineligible to obtain a license for a period of time. Any person who provides an underage person with alcohol or allows an underage person to consume alcohol and such action causes great bodily injury or death of a person, shall in addition to any other penalty, be guilty of a felony punishable by prison of not more than 5 years, with a fine of not less than $2,500.00 nor more than $5,000. The local ordinances of Oklahoma City also provide for prohibitions relating to illicit drug use and alcohol. The local ordinances follow the state law. The section of the Student handbook entitled “Drug, Alcohol and Tobacco Free College” specifies that students abusing drugs or alcohol and/or violating the Student Conduct Code will be referred to the Vice President for Enrollment and Student Services, or designated representative, for disciplinary action. College policies concerning alcohol and drug use on campus are found in the Student Handbook and in the College Policies and Procedures (College Policy No. 1014 and Policy 5001, as amended from time to time) which can be accessed through the OCCC website The College will impose sanctions on employees consistent with federal, state and local law. Additional employee and student sanctions for illicit drug use or alcohol use range from a verbal warning up to and including expulsion, termination from employment, and referral for prosecution for violations of the law. Currently, state law prohibits smoking in state-owned or operated buildings and vehicles, and within 25 feet of the entrance to any state-owned or operated building. Knowing violation is a misdemeanor punishable by fine. State law as amended in 2010 provides that all property owned and operated by colleges and universities may be designated as tobacco free, including smoking and smokeless tobacco, with knowing violations constituting a misdemeanor subject to a fine of not less than $10.00 nor more than $100.00. All tobacco use will be prohibited on property owned or operated by OCCC effective August 1, 2011 as stated in Administrative Policy No. 1015. OCCC will impose disciplinary sanctions on students and employees.

HEALTH RISKS

There are many health risks associated with drug, alcohol and tobacco use. Some of these risks are:
ALCOHOL AND THE BODY

Mouth, Larynx, Esophagus
Alcohol irritates the lining of the throat and esophagus. Heavy use of alcohol is associated with cancer of the larynx (voice box).

Stomach and Intestines
Alcohol irritates the lining of the stomach and can result in gastric or duodenal ulcers. In the small intestine, alcohol blocks absorption of vitamins and minerals essential for good nutrition.

Bloodstream
Most alcohol (95%) is absorbed through the lining of the stomach and small intestines causing irritation to the linings of these organs, slowing circulation, which deprives tissues of oxygen, slowing the ability of white blood cells to destroy bacteria and slowing the clotting ability of blood platelets.

Pancreas, Liver, Heart
Alcohol irritates the cells of the pancreas and can lead to hemorrhagic pancreatitis. Pancreatitis can destroy the pancreas and create a lack of insulin. Alcohol inflames and destroys the cells of the liver and causes inflammation of the heart muscle.

Bladder and Kidneys
Alcohol inflames the linings of the bladder. In the kidneys, alcohol causes an increased loss of fluids.

Sex Glands
Swelling of the prostate gland interferes with the ability of the male to perform sexually. It also interferes with the ability of the partners in a sexual relationship to achieve full satisfaction.

Reproduction
Alcohol consumption is the third leading cause of mental retardation in infants. Medical experts now recommend that NO alcohol be consumed during pregnancy.

Brain and Central Nervous System
Alcohol may produce lack of coordination, confusion, disorientation, stupor, anesthesia, coma, and finally death. Even in small amounts, alcohol is especially dangerous when combined with barbiturates, tranquilizers, muscle relaxants, sleeping pills, or narcotics. It should not be consumed when taking antihistamines, motion sickness pills and many other over-the-counter and prescription medications.

TOBACCO AND THE BODY

Mouth, Larynx, Esophagus
Smokers have three times as many cavities as nonsmokers. Tobacco, both smoked and smokeless, is the leading cause of cancers of the cheeks, gums, palate, tongue and lips. Smokers lose their teeth at a rate three times greater than nonsmokers. A one-pack-a-day smoker increases his/her chances of cancer of the esophagus by as much as 500%.

Stomach, Heart
Peptic ulcers are twice as high in smokers as nonsmokers. Nicotine from any source causes secretion of excessive amounts of gastric acids and delays healing of ulcers. Nicotine is a powerful constrictor of small arteries leading to insufficient oxygen supply to the heart and possible heart attacks.

Pancreas, Bladder, Kidneys
Smokers have a 100% increased risk of developing cancer of the pancreas, three times the risk of bladder cancer, and a 50% greater rate of kidney cancer. Carcinogens absorbed from cigarette smoke and smokeless tobacco are concentrated and excreted in the urine. The bladder and the kidneys are in constant contact with these cancer-causing chemicals.
Bronchioles, Lungs
Smoking causes the lungs and bronchioles to be inflamed and congested. Chronic bronchitis predisposes smokers to emphysema, an incurable lung disease. Emphysema is characterized by stretching and breaking of the tiny air sacs of the lungs, making them useless for breathing. Cigarette smokers are ten times more likely to die of lung cancer than nonsmokers.

Reproduction
Smoking more than half of a pack of cigarettes daily is associated with higher incidence of infertility in women. Babies born to women who smoke are lighter and smaller than those born to nonsmokers. This is important because birth weight is a predictor of infant health. Women who take birth control pills and who smoke are at a greater risk for cancer.

Brain
Strokes are generally caused by a combination of high blood pressure and smoking and are the third leading cause of death in the U.S. Nicotine from any source constricts blood vessels and restricts oxygen supply.

Prescription Medications
A growing trend among recreational drug users is the use and abuse of prescription drugs. Many of these drugs are designed to release small doses of their active ingredients over an extended period of time. Abusers try to find ways to circumvent this time-release process so that they get a massive dose all at once. They may also combine various drugs to get an intense combination of reactions (the “Skittles” method). The danger is that these medications are highly toxic and may be lethal if used inappropriately. Abusers often believe that these drugs are not dangerous because they are prescribed by doctors. However, when taken in too high a dose or in combination with other drugs, they may be more dangerous than some illegal drugs. Prescription medications should only be used by the person for whom they were prescribed and according to the directions on the package. Use by any other person or in any other manner is illegal.

MARIJUANA, COCAINE, CRACK COCAINE AND THE BODY

Eyes, Skin
Marijuana smokers may have inflamed watery eyes and develop wrinkled skin due to irritants present in smoke. Cocaine users have increased sensitivity to light, see fuzzily, see “floaters,” have double vision or image distortion.

Mouth, Larynx, Esophagus
Marijuana contains 50% more tar than tobacco and 400 other identified chemicals. Using 3 - 5 marijuana joints a week equals smoking 16 cigarettes daily. Smoking is associated with gum disease, loss of teeth, cancer of the cheeks, gums, palate, tongue, lips, larynx and esophagus.

Heart
Smoking one marijuana joint may cause increases in heart rate and blood pressure by as much as 50%. Cocaine increases heart rate and blood pressure. Temperature rises and arteries constrict, causing restricted blood flow to the heart and the possibility of a heart attack.

Bladder, Kidneys
Concentration of tars, carcinogens, and chemicals from marijuana in the kidneys and bladder is associated with cancers in these organs. Cocaine use causes inflammation and breakdown of small and medium arteries in the kidneys and gastrointestinal tract.

Bronchioles, Lungs
Marijuana is a respiratory irritant that causes sore throats and chronic coughs. Use of crack or cocaine may cause the respiratory system to fail.

Reproduction
The gonads, ovaries and testicles are high fat organs which absorb and hold more of the active ingredient in marijuana (THC) than most other cells of the body. Males experience lowered testosterone levels, levels essential for development of secondary male characteristics. Users may experience impotency and infertility, pregnancy complications, and changes in sexual characteristics. Cocaine users have babies addicted at birth.

Brain/Central Nervous System
Marijuana use may result in poor transmission of nerve impulses. The result is impairment of speech, comprehension, memory and sleep. Cocaine stimulates the central nervous system causing restlessness, tremors, and convulsions. Cocaine alters normal electrical activity of the brain, which can result in seizures or convulsions similar to epilepsy.

Club Drugs and The Body
The term “club drugs” refers to a wide variety of drugs often used at all night dance parties (raves), nightclubs, and concerts. These drugs have gained popularity due to the misconception that they are less harmful and less addictive than mainstream drugs.

MDMA (3,4-methylenedioxymethamphetamine)
Street Names: Ecstasy, XTC, E, X, Adam, ecstasy, ecy, clarity, essence, doctor, insight
MDMA affects the brain by destroying serotonin producing neurons and possibly by interfering with the brain’s ability to use serotonin. This interferes with the brain’s ability to regulate aggression, moods, sexual activity, sleep, and pain sensitivity. MDMA can destroy the brain cells that use dopamine, resulting in motor disturbances similar to those seen in Parkinson's disease.

The drug has stimulant and mildly hallucinogenic affects on users and creates a hyperthermic condition, which may be fatal if left untreated.

Ketamine
Street Names: K, Special K, and Cat Valium
Ketamine produces physical effects similar to phencyclidine (PCP). Use of the drug can cause delirium, amnesia, depression, long-term memory and cognitive difficulties, and fatal respiratory problems. Due to its disassociated effect, it may be used as a date-rape drug.

GHB (Gamma Hydroxybutyrate)
Street Names: Liquid Ecstasy, Soap, Easy Lay, Georgia Home Boy, Grieving Bodily Harm, Liquid X, and Goop
GHB is a central nervous system depressant. Low doses may cause drowsiness, dizziness, nausea, and visual disturbances. Higher doses may cause unconsciousness, seizures, severe respiratory depression, and coma. Because it is easily concealed in drinks, GHB may be used in the commission of sexual assaults because it renders the victim incapable of resisting and may cause memory problems.

GBL (Gamma Butyrolactone)
G disconnects the body to produce GHB. Ingesting this drug, even in small quantities, may produce a severe physical reaction. GBL increases the effects of alcohol often causing respiratory distress, seizures, coma, and death.

Rohypnol (Flunitrazepam)
Street Names: Roofies, Roofies, Roofies, Roppee, Rope, Ropeys, Ruffles, Roaches, Roche, Roach-2, Forget-me Pill, Circle, Mexican Valium, and Rue
Rohypnol is most commonly known as a date-rape drug because one of the significant effects of the drug is anterograde amnesia. In addition, Rohypnol often causes decreased blood pressure, drowsiness, visual disturbances, dizziness, confusion, gastrointestinal disturbances, and urinary retention.
PCP (Phencyclidine)
Street Names: Angel Dust, Crystal, Hog, Supergrass, Killer Joints, Ozone, Wack, Em-balming Fluid, and Rocket Fuel

PCP is a highly addictive hallucinogen that has anesthetic properties. Users often become agitated, delusional, and irrational while recovering from the drug’s anesthetic effects. Users may become violent and/or suicidal and should not be left alone.

At low to moderate doses, physiological effects of PCP include a slight increase in breathing rate and a more pronounced rise in blood pressure and pulse rate. Respiration becomes shallow and flushing and profuse sweating occurs. Generalized numbness of the extremities and muscular incoordination may also occur.

Psychological effects include distinct changes in body awareness, similar to those associated with alcohol intoxication. Use of PCP among adolescents may interfere with hormones related to normal growth and development as well as with the learning process. At high doses of PCP, there is a drop in blood pressure, pulse rate, and respiration. This may be accompanied by nausea, vomiting, blurred vision, flicking up and down of the eyes, drooling, loss of balance, and dizziness. High doses of PCP can also cause seizures, coma, and death (though death more often results from accidental injury or suicide during PCP intoxication). Psychological effects at high doses include illusions and hallucinations. PCP can cause effects that mimic the full range of symptoms of schizophrenia, such as delusions, paranoia, disordered thinking, a sensation of distance from one’s environment, and catatonia.

Speech is often sparse and garbled. People who use PCP for long periods report memory loss, difficulties with speech and thinking, depression, weight loss and mood disorders. These symptoms can persist up to a year after cessation of PCP use. PCP has sedative effects, and interactions with other central nervous system depressants, such as alcohol and benzodiazepines, can lead to coma or accidental overdose.

Use of any “club drug” in combination with other drugs, especially alcohol, may be fatal.
