**Tuition Reimbursement Process**

**Who is eligible?**
All regular full-time employees are eligible to participate in the OCCC Tuition Reimbursement Program.

**What does the reimbursement cover?**
The Tuition Reimbursement Program covers up to twelve (12) hours per calendar year of tuition costs for approved courses and/or degree programs. (Fees, books, online tuition or course fee and other materials are not covered by the TRP.)

**How do you participate in the Tuition Reimbursement Program?**
A program/course authorization form must be approved by the employee’s immediate supervisor prior to the date the first course begins. The program/course authorization form can be found on the employee portal under “HR forms.”

The authorization form will open in a word document.
- You will only be able to type into the open fields of the document.
- It is your responsibility to attach a degree program (or course) description and have the approval form signed by the necessary individuals.
- Once you have completed the form and had it signed by the required individuals, please send it to the attention of Bethanie Bird in Human Resources via campus mail.

*Once your program is approved you will receive an authorization number and are ready to submit requests for tuition reimbursement.*
