Small-sided games are games played on smaller fields and with fewer players than the adult game of 11 vs 11. Games of 3 vs 3, 4 vs 4 and 6 vs 6 are examples of small-sided game numbers. This league is focused on FUN, physical coordination, balance, and team socialization. Practice and games will be at OCCC.

OCCC Recreation & Fitness youth sports leagues are recreational and teams are built randomly to provide even competition. Please consider volunteering your time as a coach to support your son or daughter. Any team without a coach will be disbanded and full refunds given. There is no experience necessary, just a desire to see kids have fun! Call 405.682.1611 ext. 7684 if you can help out or know of someone suitable.
