Lap Swim Etiquette

Guidelines to Follow

RESPECT
Be respectful of the facility, the equipment, the other patrons and the staff on duty.

BE CONSIDERATE
Please be aware of and take care not to interrupt others’ swimming with your entry or exit when changing equipment or resting. The lanes are for lap swimming or water walking only. Please exit the pool for long conversations or extended breaks.

LANE CHOICE AND PACING
Know your abilities as a swimmer. Be aware of the water depth and choose a lane with other swimmers at a similar skill level and pace.

ENTRY
Enter the water feet first. Make sure you are aware of the water and other swimmers while entering or exiting.

LANE LINES
Lane lines are not weight bearing equipment. Please do not hang on the lines between sets or after workouts. Please briefly rest on pool ledge if necessary.

Etiquette Steps

1. Choose a lane with other swimmers at a similar skill level and pace.
2. Swim counterclockwise; the lane line should be on your right.
3. If passing is required, lightly touch the foot of the person to indicate that you will be passing.
4. Pass down the middle of the lane.
5. Yield to swimmers, coming into the wall before starting your next lap.

Summer Sport Camps

T-Ball
T-ball camp focuses on the fundamental skills of the game; including hitting, throwing, catching and running the bases. Campers must bring their own glove to camp.

Basketball
Basketball camp focuses on the basic fundamentals of ball handling, shooting, dribbling, passing and team play. We will also focus on the importance of stretching, warming up and conditioning to become the best athlete you can be. Campers will also be involved in various games such as scrimmages, knock-out, hot shot and free throw contests.

Dance Techniques
Children will be introduced to the beginning dance techniques of Hip Hop. Hip Hop comes from street dance styles. Hip hop is the style of dance featured in popular music videos and award shows. Hip hop includes breaking, popping and locking and krumping. Special attention will be given to safety and proper stretching techniques. Students will perform a hip hop dance routine at the end of camp.

Cheer/Dance Camp
Cheer and Dance together? That’s right! In this camp, students will learn cheer and dance jazz combinations with pom-poms. Focus will be on jazz combinations, kicks, jumps, turns and basic tumbling. Special attention will be given to safety and proper stretching techniques. Students will perform a cheer dance routine at the end of camp.

Flag Football
Campers will practice the basic skills and teamwork necessary to succeed in non-contact football. Fundamentals include learning positions and formations, as well as participating in drills to improve balance, dexterity and speed. Campers will enjoy exciting games of flag football.

Karate/Kids Self Defense
Karate camp will help children develop greater self-confidence and a “can do” attitude. The principles and practice of karate teach them self-control and focus. We also teach children to become street safe through role-playing and through practical self-defense techniques.

Multi-Sport 1 & 2
Multi-sport camp is ideal for introducing athletics by allowing children to sample up to 2 sports in one camp! This camp is designed to expose children to different sports and help them choose whichever sport(s) they desire to pursue in the future. Multi-sport camp gives kids the opportunity to play multiple sports, exercise, and have fun.

Soccer
Soccer camp develops individual technique and a love for the game. Players are exposed to the fundamentals of soccer using the games approach to teaching. This is the perfect situation for young players who want to learn and enjoy their soccer experience.

Competitive Swimming
Swim camp is designed to enhance skill technique of all four competitive strokes, starts and turns. Campers must be proficient in all four competitive strokes and must be able to swim 25 yards front crawl and 25 yards back crawl without stopping.

Volleyball
Campers will be taught the basic skills and teamwork required to excel in volleyball. Fundamentals including serving, bumping, setting, spiking and blocking will be emphasized in drills, instruction and scrimmages.

Indoor Track & Field
Campers will enjoy competing in track and field events such as 50mm and standing long jumps. Campers will learn to run relay races and other track and field related events.
Youth Recreational Summer Camps

Rec and Fit Kids Camps provide opportunities for campers to participate in recreational activities and games that are not specifically sports related. Campers will enjoy health & wellness activities such as indoor/outdoor group games, swim time and field trips that promote an active lifestyle.

Half Day Fit Kids Camp

Fun packed indoor and outdoor activities that promote health, wellness and physical fitness. Campers will be introduced to a variety of group fitness classes and enjoy swim time in the OCCC pool.

Ages: 6–12  Time: 1:00–5:00pm.

Enrollment Requirements: Campers must be concurrently enrolled in morning camps for each week they attend afternoon Fit Kids Camp.

Fees: $45/week without swim lessons, $65/week with swim lessons.

Swim lesson enrollment is limited to 18 and is scheduled Monday–Thursday at 4:00–4:45pm.

Counselors in Training

This program teaches teens to work with youth while earning community service hours. Each participant will attend mandatory training sessions that cover topics such as character development, leadership skills, team building, supervising children, and basic first aid. CITs must attend all training to be eligible to volunteer in camps. Following training week, Counselors in Training (CIT) will be scheduled to volunteer in one of our great summer camp programs. Placement in camp programs will depend on each CIT’s age. After successfully completing the CITs sessions, CITs may be invited to apply to be a CIT Volunteer in our camp programs, providing them an opportunity to volunteer through the summer.

**Fee:** $125 (includes tshirt and training)  **Ages:** 13–17, 8th–12th grades
(Must be at least 13 years old by May 1st)

### Choosing the Correct Level

To ensure your child’s proper placement, carefully review the class levels. If you are unsure about placement, enroll your child in the lower level. Children who have had more than a three-month break from swimming should repeat the previous level as a refresher course. Children registered for an inappropriate class level are not guaranteed a transfer because the correct level may be full. Children will be tested on the first day.

#### StarTots (Adult with Toddler ages 18–36mon.)

The purpose of this course is to develop in very young children a high comfort level in the water while at the same time training the adults who accompany them in water safety and drowning prevention. This course does not teach children to become accomplished swimmers or to survive in the water, it does however provide a confidence-building, fun and loving experience. **One adult must be in the water with each child. Swim Diapers required.**

#### Starfish School for Preschoolers (Ages 3–5)

Designed to meet the needs of children ages 3–5, this course will develop a high comfort level in the water and a readiness to swim, and for those children who are developmentally ready, it will teach functional swim skills. This class approaches teaching swimming through creative, fun activities in the water. Students work toward developing the five core competencies and progress toward achieving the benchmarks at their own pace in a small-group setting.

#### Starfish School for Youth (Ages 6–12)

Students work toward development of the five core swimming competencies using age-appropriate learning activities. Learning is self-paced but challenging.

#### Starfish School for Teens & Adults (Ages 13+)

This course is designed to improve comfort and skill in the water, regardless of past swimming experience. Students work toward developing the five basic core swimming competencies using principles of adult learning.

#### Starfish Stroke School

This course is for students of all ages who have achieved the green Swim School benchmarks. Students refine freestyle and learn stroke technique for backstroke, butterfly, breaststroke, and develop endurance.

### Starfish Swimming

OCCC has an indoor world-class Olympic swimming and diving complex. Our temperature-controlled environment and friendly staff make this a perfect place for you and/or your child to learn how to swim. Your little one will enjoy learning on one of our tot docks designed to let them stand in two feet of water. All swim classes are taught by American Red Cross Water Safety Instructors and/or Starfish Swim Instructors and certified lifeguards are on duty at all times during lessons.

The Starfish Swimming Curriculum is designed for students ages 18 months to adult. Benchmarks are established at each stage in the program that combines both swimming and safety skills. Students participate in experiential learning activities that allow them to explore the water in a creative and comfortable environment. Correct swimming techniques are taught from the very beginning.
