These agreements express a shared commitment to student access and success in higher education.

OCCC Associate in Science – Diversified Studies to UCO Bachelor of Science – Occupational Safety

This document specifies courses to be taken at OCCC and courses to be taken at UCO to meet this agreement.

Associate in Science (A.S.) – Diversified Studies

Students should refer to the associate degree requirements and an academic advisor for associate degree details to ensure a successful transition to UCO.

Oklahoma City Community College General Education

This section is an outline of the general education pattern at OCCC common to all majors. Some general education areas may vary by major. In those areas, consult an academic advisor or refer to the OCCC catalog or requirement sheet.
